Relationship Of Intelligence To Matter:

Intelligence Matters Senator Bob Graham, Jeff Nussbaum, 2008-09-11 Shining much needed light on areas the 9 11 Commission preferred to keep dark Intelligence Matters chronicles the efforts of a historic joint House Senate inquiry to get to the bottom of our intelligence failures on that infamous day in 2001 Originally published in 2004 amid the media circus surrounding The 9 11 Commission Report it told more than a riveting tale it also provided an unflinching expos of failure incompetence and deceit at the highest levels of our government The Joint Inquiry co chaired by Senator Bob Graham D Florida was the first and arguably most effective government body to investigate the horrendous 2001 attacks Indeed it helped compel a reluctant George W Bush to establish the 9 11 Commission But while both investigations sharply criticized the failures of our nation's intelligence establishment only Graham's dared to challenge the Bush administration on a number of troubling points especially the apparent complicity of Saudi officials in the events of 9 11 the subsequent protection provided by President Bush for a large number of Saudis including members of the bin Laden family and the run up to the Iraq War which Graham voted against The original work combined a compelling narrative of 9 11 with an insightful eyewitness chronicle of the Joint Inquiry's investigation conclusions and recommendations Sharply critiquing the failures at the CIA FBI and the White House and detailing at least twelve occasions when the 9 11 plot could have been stopped it concluded with a clear plan for overhauling our intelligence and national security establishment For this paperback edition Graham has added a substantial new preface and postscript that lucidly examine how effectively the nation has responded or failed to respond to the Joint Inquiry's recommendations This edition restores Intelligence Matters to its rightful place as one of the key texts on the subject of 9 11 and provides a grim reminder of the challenges that remain for us in the war on terror
