Gender Equality Linda C. McClain, Joanna L. Grossman, 2009-07-31 Examines the persisting inequality between formal commitments to gender equality and equal citizenship

Sham Steve Salerno, 2006-09-26 Self help To millions of Americans it seems like a godsend To many others it seems like a joke But as investigative reporter Steve Salerno reveals in this groundbreaking book it s neither in fact it s much worse than a joke Going deep inside the Self Help and Actualization Movement fittingly the words form the acronym SHAM Salerno offers the first serious expos of this multibillion dollar industry and the real damage it is doing not just to its paying customers but to all of American society Based on the author s extensive reporting and the inside look at the industry he got while working at a leading lifestyle publisher SHAM shows how thinly credentialed experts now dispense advice on everything from mental health to relationships to diet to personal finance to business strategy Americans spend upward of 8 billion every year on self help programs and products And those staggering financial costs are actually the least of our worries SHAM demonstrates how the self help movement s core philosophies have infected virtually every aspect of American life the home the workplace the schools and more And Salerno exposes the downside of being uplifted showing how the empowering message that dominates self help today proves just as damaging as the blame shifting rhetoric of self help s Recovery movement SHAM also reveals How self help gurus conduct extensive market research to reach the same customers over and over without ever helping them The inside story on the most notorious gurus from Dr Phil to Dr Laura from Tony Robbins to John Gray How your company might be wasting money on motivational speakers executive coaches and other quick fixes that often hurt quality productivity and morale How the Recovery movement has eradicated notions of personal responsibility by labeling just about anything from drug abuse to sex addiction to shoplifting a dysfunction or disease How Americans blindly accept that twelve step programs offer the only hope of treating addiction when in fact these programs can do more harm than good How the self help movement inspired the disastrous emphasis on

self esteem in our schools How self help rhetoric has pushed people away from proven medical treatments by persuading them that they can cure themselves through sheer application of will As Salerno shows to describe self help as a waste of time and money vastly understates its collateral damage And with SHAM the self help industry has finally been called to account for the damage it has done Also available as an eBook *Love You and He Will Too* Elizabeth Overstreet,2016-10-17

Sex, Love and Money in Cambodia Heidi Hoefinger,2013-07-04 Dealing with the complex and discomforting grey area where sex love and money collide this book highlights the general materiality of everyday sex that takes place in all relationships In doing so it draws attention to and destigmatizes the transactional elements within many normative partnerships be they transnational inter ethnic or otherwise Focusing on Cambodia and on a subculture of young women employed in the tourist bar scene referred to as professional girlfriends the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi layered It argues that the sex for cash prostitution framework is no longer an appropriate model of analysis Instead a new vocabulary of professional girlfriends and transactional sex is used with which the nuanced complexities of these transnational partnerships are analysed Interdisciplinary in nature the book inspires new understandings of gender power sex love desire political economy and materiality within everyday relationships around the globe It is a useful contribution for students and scholars of Anthropology Sociology Southeast Asian Studies Gender and Sexuality Studies and Cultural Studies Healing and Transformation Alsterberg,2011-09 Do you want to transform your life Would you like a connection with the divine within yourself to create an intimate and sacred relationship with God Healing and Transformation Moving from the Ordinary to the Extraordinary by Dr Eric Alsterberg is a revolutionary how to manual that will inspire you to recognize and understand the voice of the Higher Being that speaks within each of us Alsterberg teaches you how to heal old emotional wounds and traumas move away from dysfunctional patterns and return to a more spiritual path His astonishing insights into exploring the various challenges and adversities in life and viewing them as opportunities to evolve physically mentally emotionally and spiritually will become words to live by as we face an uncertain future in a secular society Accept the ultimate truth that you are a spiritual being having a human experience Relinquish your ego to walk a spiritual path and learn how to fully experience unconditional love complete forgiveness and nonjudgement Healing and Transformation Moving from the Ordinary to the Extraordinary will teach you how to heal and transform your relationship with yourself your loved ones your community and ultimately the nation and world in which we live Dr Eric Alsterberg is a writer psychologist and certified hypnotherapist He is actively involved in spiritual teachings mentoring others through his expertise in metaphysics He is a member of the Association for Research and Enlightenment the Edgar Cayce Foundation the Astara Mystery School and the Reconnection Eric Pearl healing technologies Dr Alsterberg lives in Michigan <http://SBPRA.com> [EricAlsterberg](http://EricAlsterberg.com)
