La práctica del relato : manual de estilo literario para narradores Ángel Zapata,2003-05 Por vez primera en nuestro país un profesor de escritura creativa se decide a publicar las reflexiones que sobre la práctica de la ficción se suscitan en su experiencia diaria Este libro contiene una serie de reflexiones en torno a la práctica de la narrativa y aquí y allá unas cuantas recetas puramente artesanales De modo que su pretensión es bastante modesta y he tratado de esquivar a toda costa la terminología técnica y los mil vericuetos de la teoría literaria En sus páginas trato sobre la escritura de ficciones me dirijo en estas páginas a los escritores y escritoras que empiezan y he querido conservar en ellas el mismo tono de conversación entre amigos con que suelo escribir a mis alumnos en los Talleres de Escritura Creativa a Distancia Fuentetaja Quedis invitados pues a esta especie de charla por escrito sobre el arte de narrar **El lugar del aire** Carlos Pujol,1984 Narradores argentinos de hoy ,1971 V 1 Juan José Hernández Haroldo Conti Syria Poletti Jorge Riestra Daniel Moyano v 2 Hector Tizón Germán Rozenmacher Abelardo Castillo María Esther de Miguel **El Libro español** ,1982 **The Latin American Short Story** Daniel Balderston,1992-05-20 The enormous body of short story anthologies from the nineteen countries of Spanish America and Brazil testifies to their importance for writers editors readers and especially for schools and universities teachers and students The study of anthologies and their contents can be particularly revealing for many of the questions looming large in critical discourse particularly those on canon formation and the relations between literature and cultural institutions but researching this corpus is difficult because it varies greatly in quality distribution and format The present volume for the first time gathers this mass of material and organizes it for systematic study The main section comprises annotated listings of 1302 short story anthologies those with stories from all or most of the countries grouped together including a section of English language anthologies those from countries of a region and those from individual nations For most entries a full listing of contents is provided along with brief commentary A second section comprises annotated bibliographies of criticism of the short story similarly arranged with materials for Latin America as a whole as well as regionally and nationally The volume ends with four indexes of authors of the stories of authors of essays introductions and other critical materials of titles of the critical works and of themes An essential tool for scholars working on Latin American narrative this bibliography will also serve as a practical finding aid for individual writers and stories Estudios de la Universidad de Cádiz ofrecidos a la memoria del profesor Braulio Justel Calabozo Braulio Justel Calabozo,1998 **The Novels of Julio Cortázar** Steven Boldy,1980-11-06 This 1980 book is a clear and detailed study of Julio Cortázar's four major
