Newman Baldwin PhD, 2020-12-11 Every life experience you have ever faced no matter how traumatic was necessary for your growth physically spiritually and mentally Every encounter you have had and every decision you have made up to this moment has already been accounted for in the script of your life Where you are at this exact moment in time is where you are supposed to be What you are doing or have done leading to this moment in time is exactly what you were supposed to do Predestined in My Purpose explores the idea that every encounter we have leads us one step closer to our greater cause or purpose When faced with the negative energy floating around in the universe how do we replace the negative with the good How do we cope with our traumatic life experiences How do we as a society begin the healing process Asking forgiveness of others forgiving others and forgiving ourselves can change our perspective It can lead to healing not only in ourselves but also in the world as a whole Adversity builds our character strengthens us and brings us to our expected endings the ones written from before our birth No matter what issues we face in life we are all predestined to WIN Uplifting and encouraging this guide demonstrates the way in which all our experiences contribute to helping us grow and bringing us to our destined purpose Predestined To Bless Ronald J. Smith, 2012-06-13 The continuing saga of the day in a life of a sinner struggling with christianity With every realization of whom God and Jesus is and that they are one along with the Holy Ghost comes life and struggle and doubt and fear Seeing this as a failure in your christian walk would be inconsistent with the reality of life itself Predestined to Bless is a revelation of the struggle and the issues we go through as christians but the continuous reality and knowledge of who God is It is God s word itself that propels us to continue moving forward when we would rather stand still It is God s inner presence in our lives that comforts us when we believe that we have given up The mistake we make as christians is to deny our frailites instead of

embracing them along with God's loving kindness. It is not so much about seeing the light at the end of the tunnel but knowing that the light is with you while you are in the tunnel. May you be blessed in your reading as I believe this book is predestined to do. Great! You Lost Your Job, Now Find Your Life! Lloyd Edward Hopkins II, 2013-12-05. If you are not waking up every day in love with your life, it is time to make a change. If you are not in love with the person you are with, if you are not in love with your job, if you are not in love with the station you inhabit, you must realize that you are staying out of fear. A fear of the unknown. You probably think these things are your safety net, but they are not. They are your leash. The leash that is holding you back from your happiness and truly experiencing life. It would be the words that my younger brother shared with me: "Great! You lost your job, now find your life." On the day I was terminated from my job, that would inspire me to write this book. I wanted to keep a journal of my thoughts, experiences, and ideas every day until I was employed again. One day turned into a week, a week turned into a month, and a month would eventually turn into a year. It would be that year that would change my life forever. I was forced to face the reality of who I had become. I was able to manage to become a somewhat successful person in life without becoming a complete person. Without truly knowing myself. My hope is that this book lands in your hands when you need it most. I think our priorities are all wrong. We are chasing wealth and material things, thinking those are what will give us a fulfilling existence. We are wrong, and it is time for each of us to find our life.

Lloyd Hopkins Follow the Dreams Yi Ke, 2019-09-30. Nan Xu's footsteps were filled with helplessness and hesitation. They were filled with hope and dreams, as well as the endless love affairs of a man who fought for his dream, a man who chased after women and was chased by women. *Living Your Best Life* Laura Berman Fortgang, 2002-05-13. Being happy doesn't have to be hard, says prominent personal coach Laura Berman Fortgang. We each possess an internal compass that expresses our individual wisdom and points to the things that would most fulfill us: Personal and professional satisfaction. Fortgang believes comes from tapping into this wisdom. In *Living Your Best Life*, she offers ten tried and true strategies that help us to access our own inner knowledge to achieve what she calls a best life, a life that awaits all of us in which gains come more easily because we've learned to honor our true desires and work with our individual talents rather than exhausting our energy on a traditional model of achievement. Her techniques focus on asking ourselves what we really want instead of frenetically trying to have it all. We learn to ask questions that move us forward, not backward, to discover our own unique, lucrative purpose and to design a magnet life plan that draws to us the more rewarding existence we deserve. *Find Your Peace* Rodica Malos, 2020. It will help you cope with stress and others and change the world around you.
