A Catholic Response to the Jehovah's Witnesses Jennifer Moorcroft, 2014-07-16 A Catholic Response to the Jehovah's Witnesses is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality Having met with many Witnesses over the years she was prompted to write the book as a response to them It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovah's Witnesses and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church New York Supreme Court ,1940

The Watchtower's Coming Crisis Daniel Rodriguez, 2011 A devastating crisis has the Jehovah's Witness religion facing extinction Chances are that you have never met a real Jehovah's Witness While those at your door may claim to be one of Jehovah's Witnesses their own publications plainly teach otherwise So who are the real Jehovah's Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah's Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God's truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it

Do you feel like hiding when Jehovah's Witnesses ring your doorbell? Have you tried to convey your faith to them and gotten nowhere? It's a proven and practical guide which includes questions, answers, conversation starters, and other great witnessing tools that will help you speak to Jehovah's Witnesses. **Blood on the Altar** David A. Reed, 2011-01-27. More kids are dying right now in obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas, says former Witness elder David A. Reed. How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry? Reed cites dozens of well-documented cases, media reports naming victims, doctors, and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes, he details an enforcement apparatus that reaches even into clinics and hospitals. He brings to light secret instructions for hospital employees to turn over confidential patient records to the church and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God but actually fabricated by the church hierarchy, after leaving the sect he spent years researching its history and activities. Evidence revealed here for the first time. Reed's warning cannot be ignored. **Seirei Gensouki: Spirit Chronicles Volume 14** Yuri Kitayama, 2021-04-30. While nothing could have prepared Rio for meeting Nidoll, the eccentric emperor of Proxia, receiving information on Lucius whereabouts whisks him off on his way to his next destination. As Rio's chance to settle the score with his nemesis in the Kingdom of Paladia fast approaches, Christina and Flora are abducted from an airship traveling over Rodania. Coincidentally, the two captive princesses end up in Paladia as well, but will their fates be sealed before Rio can intervene. *Selections from Rolling Stone Magazine's 500 Greatest Songs of All Time - Early Rock to the Late '60s* Alfred Music, 2008-06-19.
