Healing America Congressman Tim Ryan, 2018-09-18 From one of this country's most thoughtful and committed leaders this optimistic pragmatic guide now revised and updated to reflect the current political climate offers a timeless practice to inspire hope for our country's future. When *A Mindful Nation* was first published mindfulness had yet to ingrain itself into our everyday way of life from our inner well-being to home to work to friends to family. Yet with the ever-increasing pace of communication flow of information and pervasive urge to do more the lessons from *A Mindful Nation* are perhaps even more important today. In this new and updated edition retitled *Healing America* Congressman Tim Ryan shares how the timeless practice of mindfulness the natural capabilities of our brains and minds and the core American values of self-reliance determination and getting the job done can positively affect every sector of our society. Ryan connects the dots between what's happening in the classrooms hospitals boardrooms research labs and military bases across the country. He explores the most recent scientific findings that support the beneficial effects of mindfulness and shares powerful stories from the field showing how this simple practice is helping schoolchildren improve their ability to learn veterans heal from trauma and CEOs become more effective leaders. He also provides practical tips for how to incorporate mindfulness into your life today. In this world of divisive politics and contentious dialogue the barrage of tension never seems to let up. But there are solutions that will immediately benefit both you and society as a whole actions that you can take right here and right now. With a direct and in-depth understanding of politics government budgets and what it takes to get important tasks done Ryan combines a practical approach with a hopeful vision for how mindfulness can help reinvigorate the American Dream.

The Digital Invasion Dr. Archibald D. Hart, Dr. Sylvia Hart Frejd, 2013-07-01 In the world of technology there are just two kinds of people digital natives and digital immigrants. Digital natives are those born after the advent of the internet. They are comfortable with swift technological change and take the presence of technology in their lives almost completely for granted. They have digital DNA flowing through their bodies. On the other hand digital immigrants are those born before the advent of the internet. Their comfort level with our technology soaked world is more variable. But they are affected by the digital invasion just as much as their native children. With the latest research supporting them Dr. Archibald Hart and Dr. Sylvia Hart Frejd uncover both the subtle and the dramatic ways digital technology is changing us from within focusing their expos on the impact on the spiritual life of individuals. Through insights from neuroscience and psychology they offer readers therapeutic and biblical strategies for handling the digital invasion in order to become good stewards of their digital lives. Parents educators students counselors and pastors will especially appreciate this cultural wake-up call.

values and transform and revitalize our communities *Introduction to Medical-Surgical Nursing - E-Book* Adrienne Dill Linton, 2014-04-14 With just the right level of information to equip you to effectively care for adults and older adults Linton's *Introduction to Medical Surgical Nursing 5th Edition* is the leading LPN LVN text in its field. Covering both med surg and psychiatric mental health conditions and disorders, it addresses your role in a variety of care settings, emphasizes culturally competent care and holistic nursing, and thoroughly covers all relevant NCLEX PN Test Plan content. Abundant real-life case studies clearly show how to apply what you've learned to clinical practice. Features separate chapters on common high-profile disorders including hypertension, diabetes, and shock, providing an in-depth understanding for patient care. Offers foundational units on basic concepts related to the health care system, care settings, the nursing process, leadership, nutrition, the older adult, growth and nutrition, legal/ethical considerations, evidence-based nursing care, and many more essential topics, avoiding repetition later in the text. Includes a separate comprehensive unit on the older adult and related disorders, no other LPN LVN med surg text has as much coverage of this primary patient group. Includes a separate comprehensive unit on psychosocial responses to illness, psychiatric disorders, and substance abuse, eliminating the need for a separate psychiatric mental health nursing text. Emphasizes content related to the NCLEX PN Test Plan, including health promotion, nutrition, legal/ethical issues, HIPAA, and prevention of medication medical errors. Offers in-depth pharmacology coverage; the Pharmacology Tutorial covers drug classifications, how drugs work, and nursing responsibilities. Pharmacology Capsules/boxes provide medication information, precautions for use, interactions, and side/adverse effects. Pharmacology and Medications tables in body systems chapters include classification, use, action, side/adverse effects, and nursing interventions, all with the goal of reducing medication errors on the job and equipping you to pass the NCLEX exam. Assists with assignment and supervision, helping you assign tasks to nurse assistants, patient care techs, and unlicensed assistive personnel, and making sure you understand the difference between delegation, management, supervision, and assignment of tasks on the health care team. Features Diagnostic Tests and Procedures tables for a quick reference to MRI, CT, Doppler flow, lumbar puncture tests for neurologic disorders, and much more. Highlights timely information with Health Promotion boxes, Cultural Considerations boxes, Nutrition Considerations boxes, and Complementary and Alternative Therapies boxes. Provides bulleted lists of nursing instructions for Patient Teaching Plans, stressing the role and responsibility of the LPN LVN to reinforce patient education. Provides consistent Nursing Care Plans that reinforce the nursing process and focus on critical thinking and Put on Your Thinking Cap Critical Thinking boxes encourage you to pause and consider the practical implications of what you have just read.
