tradition identity and sin to examine how Americans actually live their faith Emphasizing personal stories Wolfe takes readers to religious services across the nation an Episcopal congregation in Massachusetts a Catholic Mass in a suburb of Detroit an Orthodox Jewish temple in Boston to show that the stereotype of religion as a fire and brimstone affair is obsolete Gone is the language of sin and damnation and forgotten are the clear delineations between denominations they have been replaced with a friendly God and a trend towards sampling new creeds and doctrines Overall Wolfe reveals American religion as less radical less contentious and less dangerous than it is generally perceived to be
