Sanjeer Alam, 2012-01-27 Religion based educational disparities especially relative educational backwardness amongst the Muslims in India are the focus of serious debate The 2006 Sachar Committee Report rekindled public interest and attention in this important issue Yet considerable gaps exist in our understanding of the dynamics of religion and access to education In Religion Community and Education Alam uses a spatial approach and multilayered analytical framework to understand educational disparities in schooling between the Hindus and Muslims in Bihar The study draws upon national level data as well as focused fieldwork carried out in Bihar s Patna and Purnia districts This book highlights the larger historical trajectories that have shaped educational development as well as the forms of disparities therein vis vis the minorities in India It contends that the relative educational backwardness of the Muslims reflects underlying socio economic patterns that are often overlooked Thus the Muslims should not be seen merely as homogeneous socio cultural aggregates Coming Together/coming Apart Elizabeth M. Bounds, 1997 While the idea of community is increasingly vital to our individual and social well being our ordinary communal relations are being eroded by increased mobility lost traditions and the growing pluralism of society Examining this renewed desire for community Coming Together Coming Apart locates the current problems in modern capitalism Out of a common matrix of a lifeworld in crises contemporary religious social and feminist discussions compose an ideological struggle over the reformation of society Bounds analyzes a broad range of theorists from Daniel Bell and Stanley Hauerwas to Sharon Welch and Cornel West In comparing their arguments about community she illustrates critical assumptions about the roles of morality and religion including the values of difference the diversity of traditions and the nature of moral connection **Religion and Community**, 2000-03-02 Religion is an important social force both for good and evil in the modern world In the final volume of his comparative theology Keith Ward considers the main ways in which religion and society interact and the ways in which the major world religions need to adapt themselves in the modern world These religions are examined as forms of social life ranging from communities which seek to renounce the world to those which seek to embody the laws of God in society those which see religions in critical dialogue with social

structures and those which see religion as a primarily individual matter The ideas of eretz Yisrael the umma of Islam the Buddhist sangha the Christian church and the Hindu sampradaya are critically analysed Ward also considers the doctrine of the church in Aquinas Calvin Schleiermacher and Tillich and develops a view of the church in a global perspective by means of both a historical and thematic approach He proposes a radical vision of the church as a person affirming world transforming society in the emerging global community of many faiths and cultures The relation of religious belief and morality and the ambiguous role of religion in society is investigated and the need for a new religious paradigm is defended expressing a global perspective without insistence on uniformity Community as Church, Church as Community Michael Plekon, 2021-07-22 Parishes of all denominations are in decline shrinking closing dying We know that there are increasing numbers young and older who are religious nones and dones This book explores why the decline is taking place why the distancing is going on But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting The central theme of death and resurrection shapes the analysis of parishes covered Parishes are resurrecting by reinventing their ministries by repurposing their building to better serve their neighborhoods thus replanting and reconnecting with them All of this is the Spirit s doing but through the community of sisters and brothers who make up each congregation of faith Community as the core of church is the other reality shaping the book s reflection And community a parish being with those around living for more than its own survival are visions for going forward Other aspects of congregational life are also examined most importantly the pastors how they serve when budgets shrink how they are trained how pastors act with the community not above it No recipes are suggested for parish resurrection but the stories of the parishes that have revived bear within numerous lessons for us in the future **Exploring Religious Community Online** Heidi Campbell, 2005 Exploring Religious Community Online is the first comprehensive study of the development and implications of online communities for religious groups This book investigates religious community online by examining how Christian communities have adopted internet technologies and looks at how these online practices pose new challenges to offline religious community and culture Religion and Law in Finland Matti Kotiranta, 2021-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this convenient resource provides systematic information on how Finland deals with the role religion plays or can play in society the legal status of religious communities and institutions and the legal interaction among religion culture education and media After a general introduction describing the social and historical background the book goes on to explain the legal framework in which religion is approached Coverage proceeds from the principle of religious freedom through the rights and contractual obligations of religious communities international transnational and regional law effects and the legal parameters affecting the influence of religion in politics and public life Also covered are legal positions on religion in such specific fields as church financing labour and employment and matrimonial and family law A clear and comprehensive overview of relevant legislation and legal doctrine make the book an
