Schuberts Late Lieder Beyond The Song Cycles

Lorraine Byrne

Schuberts Late Lieder Beyond The Song Cycles:

Schubert's Late Lieder Susan Youens, 2006-11-02 Schubert's Late Lieder is a study of selected songs for voice and piano composed by Schubert between 1822 and his death on 19 November 1828. Circa late 1822 Schubert was diagnosed with syphilis and many of the songs discussed in this book were written under the seal of impending death. It is possible to locate in these songs a late song style full of elegiac references to Schubert's other death haunted works and marked by distinctive variation techniques. Youens also introduces six of the poets whose texts Schubert set to music. *Retracing a Winter's Journey* Susan Youens, 2013-01-14 I like these songs better than all the rest and someday you will too. Franz Schubert told the friends who were the first to hear his song cycle *Winterreise*. These lieder have always found admiring audiences but the poetry he chose to set them to has been widely regarded as weak and trivial. In *Retracing a Winter's Journey* Susan Youens looks not only at Schubert's music but at the poetry drawn from the works of Wilhelm Müller who once wrote in his diary perhaps there is a kindred spirit somewhere who will hear the tunes behind the words and give them back to me. Youens maintains that Müller in depicting the wanderings of the alienated lover produced poetry that was simple but not simple minded poetry that embraced simplicity as part of its meaning. In her view Müller used the ruder folk forms to give his verse greater immediacy to convey more powerfully the wanderer's complex inner state. Youens addresses many different aspects of *Winterreise*: the cultural milieu to which it belonged; the genesis of both the poetry and the music; Schubert's transformation of poetic cycle into music; the philosophical dimension of the work and its musical structure. *The Cambridge Companion to Schubert's 'Winterreise'* Marjorie W. Hirsch, Lisa Feurzeig, 2021-02-04 An accessible multi disciplinary exploration of Franz Schubert's haunting late song cycle *Winterreise* 1827 that combines context and different analytical approaches. *Franz Schubert and His World* Christopher H. Gibbs, Morten Solvik, 2014-08-17 The life times and music of Franz Schubert. During his short lifetime Franz Schubert 1797-1828 contributed to a wide variety of musical genres from intimate songs and dances to ambitious chamber pieces, symphonies and operas. The essays and translated documents in *Franz Schubert and His World* examine his compositions and ties to the Viennese cultural context revealing surprising and overlooked aspects of his music. Contributors explore Schubert's youthful participation in the Nonsense Society, his circle of friends and changing views about the composer during his life and in the century after his death. New insights are offered about the connections between Schubert's music and the popular theater of the day, his strategies for circumventing censorship, the musical and narrative relationships linking his song settings of poems by Gotthard Ludwig Kosegarten and musical tributes he composed to commemorate the death of Beethoven just twenty months before his own. The book also includes translations of excerpts from a literary journal produced by Schubert's classmates and of Franz Liszt's essay on the opera *Alfonso und Estrella*. In addition to the editors, the contributors are Leon Botstein, Lisa Feurzeig, John Gingerich, Kristina Muxfeldt and Rita Steblin. *Music and Literature in German Romanticism* Siobhán Donovan, Robin Elliott, 2004 During the

Romantic era many in Germany believed music to be the highest art form representing the quintessence of Romanticism and able to express what could not be expressed in words This book studies the work of composers during this period and examines the cross over between music and literature Rethinking Schubert Lorraine Byrne Bodley, Julian Horton, 2016-08-05 Rethinking Schubert offers a conspectus of issues in Schubert scholarship a reappraisal of key debates and an exploration of new avenues of research It brings together twenty two essays by some of today s most important Schubert scholars which provide new insights into this composer his music his influence and his legacy **Listening Awry** David Schwarz, In his first book Listening Subjects David Schwarz succeeded in fusing post Lacanian psychoanalytic musical theoretical and musical historical perspectives In Listening Awry he expands his project to tell a story of historical modernism writ large how German music spanning two centuries refracts changes in society and culture as well as the impacts of concepts introduced by psychoanalysis Schwarz shows how post Lacanian psychoanalysis can be applied to ideological interpellation that connects psychoanalysis to culture and how music theory can ground these considerations in precise details of musical textuality He listens awry in several ways by understanding musical meaning in both objective and socially structured ways by embracing historical and also aesthetic approaches by addressing high art as well as popular music and by listening around conventional forms of musical meaning to reach toward that which evades signification Structured around four themes trauma the other Other the look gaze binary and Judaism Listening Awry explores five key moments in post Enlightenment music the rise of the singular orchestral conductor and the emergence of a new form of alterity the Art Song and the sublime of the delicate a correlate of the Kantian mathematical and dynamical sublime the birth of psychoanalysis and the twentieth century turn toward atonality German war songs and the subversion of German music by the Nazis and two different versions of Wagner s Parsifal that were performed one hundred years apart and in radically different contexts This highly original work filled with imaginative readings and disquieting observations links trauma with the culture and history of modernity and German music deftly tying the experience of the body to the sounds it hears how it reaches us slowly penetrates the skin and resonates David Schwarz is assistant professor of music at the University of North Texas He is the author of Listening Subjects Music Psychoanalysis Culture Late Style and Its Discontents Gordon McMullan, Sam Smiles, 2016 Late Style and its Discontents interrogates the critical cliché of late style questioning whether Titian Beethoven Goethe and others can usefully be assimilated to one another as though their particular social and historical circumstances had been transcended by a singular existential predicament **Goethe, Musical Poet, Musical Catalyst** Lorraine Byrne, 2004 Proceedings of international conference at NUI Maynooth on Goethe s contribution to music Goethe was interested in and acutely aware of the place of music in human experience generally and of its particular role in modern culture Moreover his own literary work especially the poetry and Faust inspired some of the major composers of the European tradition to produce some of their finest works Martin Swales Subject Music Studies Goethe **The Lied at the**

Crossroads of Performance and Musicology Benjamin Binder, Jennifer Ronyak, 2024-02-07 There seems to be an essential relationship between the performance and the scholarship of the German Lied Yet the process by which scholarly inquiry and performative practices mutually benefit one another can appear mysterious and undefined in part because any dialogue between the two invariably unfolds in relatively informal environments such as the rehearsal studio seminar room or conference workshop Contributions from leading musicologists and prominent Lied performers here build on and deepen these interactions to reconsider topics including Werktreue aesthetics and concert practices the authority of the composer versus the performer the value of lesser known incomplete or compositionally modified songs and the traditions habits and prejudices of song recitalists regarding issues like transposition programming and dramatic modes of presentation The book as a whole reveals the reciprocal relevance of Lied musicology and Lied performance thereby opening doors to fresh and exciting modes of interpretative artistry and intellectual discovery German Song Onstage Natasha Loges, Laura

Tunbridge, 2020-05-05 A singer in an evening dress a grand piano A modest sized audience mostly well dressed and silver haired equipped with translation booklets A program consisting entirely of songs by one or two composers This is the way of the Lieder recital these days While it might seem that this style of performance is a long standing tradition German Song Onstage demonstrates that it is not For much of the 19th century the songs of Beethoven Schubert Schumann and Brahms were heard in the home salon and no less significantly on the concert platform alongside orchestral and choral works A dedicated program was rare a dedicated audience even more so The Lied was a genre with both more private and more public associations than is commonly recalled The contributors to this volume explore a broad range of venues singers and audiences in distinct places and time periods including the United States the United Kingdom Russia and Germany from the mid 19th century through the early 20th century These historical case studies are set alongside reflections from a selection of today's leading musicians offering insights on current Lied practices that will inform future generations of performers scholars and connoisseurs Together these case studies unsettle narrow and elitist assumptions about what it meant and still means to present German song onstage by providing a transnational picture of historical Lieder performance and opening up discussions about the relationship between history and performance today **Medievalism and Nationalism in German**

Opera Michael S. Richardson, 2020-11-29 Medievalism or the reception or interpretation of the Middle Ages was a prominent aesthetic for German opera composers in the first half of the nineteenth century A healthy competition to establish a Germanic operatic repertory arose at this time and fascination with medieval times served a critical role in shaping the desire for a unified national and cultural identity Using operas by Weber Schubert Marshner Wagner and Schumann as case studies Richardson investigates what historical information was available to German composers in their recreations of medieval music and whether or not such information had any demonstrable effect on their compositions The significant role that nationalism played in the choice of medieval subject matter for opera is also examined along with how audiences and

critics responded to the medieval milieu of these works In this book readers will gain a clear understanding of the rise of German opera in the early nineteenth century and the cultural and historical context in which this occurred This book will also provide insight on the reception of medieval history and medieval music in nineteenth century Germany and will demonstrate how medievalism and nationalism were mutually reinforcing phenomena at this time and place in history

Vanishing Sensibilities Kristina Muxfeldt, 2012-04-01 Vanishing Sensibilities examines once passionate cultural concerns that shaped music of Schubert Beethoven Schumann and works of their contemporaries in drama or poetry Music especially music with text was a powerful force in lively ongoing conversations about the nature of liberty which included such topics as the role of consent in marriage same sex relationships freedom of the press and the freedom to worship or not Among the most common vehicles for stimulating debate about pressing social concerns were the genres of historical drama and legend or myth whose stories became inflected in fascinating ways during the Age of Metternich Interior and imagined worlds memories and fantasies were called up in purely instrumental music and music was privately celebrated for its ability to circumvent the restrictions that were choking the verbal arts Author Kristina Muxfeldt invites us to listen in on these cultural conversations dating from a time when the climate of censorship made the tone of what was said every bit as important as its literal content At this critical moment in European history such things as a performer's delivery spontaneous improvisation or the demeanor of the music could carry forbidden messages of hope and political resistance flying under the censor's radar like a carrier pigeon Rather than trying to decode or fix meanings Muxfeldt concerns herself with the very mechanisms of their communication and she confronts distortions to meaning that form over time as the cultural or political pressures shaping the original expression fade and are eventually forgotten In these pages are accounts of works successful in their own time alongside others that failed to achieve more than a liminal presence among them Schubert's Alfonso und Estrella and his last opera project Der Graf von Gleichen whose libretto was banned even before Schubert set to work composing it Enlivening the narrative are generous music examples reproductions of artwork and facsimiles of autograph material

Schubert's Late Music Lorraine Byrne Bodley, Julian Horton, 2016-04-07 Schubert's late music has proved pivotal for the development of diverse fields of musical scholarship from biography and music history to the theory of harmony This collection addresses current issues in Schubert studies including compositional technique the topical issue of late style tonal strategy and form in the composer's instrumental music and musical readings of the postmodern Schubert Offering fresh approaches to Schubert's instrumental and vocal works and their reception this book argues that the music that the composer produced from 1822-8 is central to a paradigm shift in the history of music during the nineteenth century The contributors provide a timely reassessment of Schubert's legacy assembling a portrait of the composer that is very different from the sentimental Schubert permeating nineteenth century culture and the postmodern Schubert of more recent literature

Oxford History of Western Music Richard Taruskin, 2009-07-27 The universally acclaimed and award

winning Oxford History of Western Music by one of the most prominent and provocative musicologists of our time Richard Taruskin Now in paperback the set has been reconstructed to be available for the first time as individual books each one taking on a critical time period in the history of western music **Structurally Sound** Eric Wen,2017-05-17 Analysis of seven masterworks includes passages from Bach s Orchestral Suite No 3 Mendelssohn s Piano Trio No 1 Schubert s Nacht und Tr ume Brahms Violin Sonata No 3 Haydn s Surprise Symphony Mozart s G minor Symphony and Beethoven s Eroica Symphony **Singing in Style** Martha Elliott,2006-01-01 Muziekhistorisch en musicologisch overzicht van de klassieke solozang vanaf de barok tot heden *Schubert's Theater of Song* Mark Ringer,2009-03 CD enth lt 20 Lieder von Schubert

The Song Cycle Laura Tunbridge,2010 Investigates how other types of music have influenced the scope of the song cycle from operas and symphonies to popular song Rethinking Schumann Roe-Min Kok,Laura Tunbridge,2011-01-19 A provocative re examination of a major romantic composer Rethinking Schumann provides fresh approaches to Schumann s oeuvre and its reception from the perspectives of literature visual arts cultural history performance studies dance and film Traditionally research has focused on biographical links between the composer and his music encouraging the assumption that Schumann was solitary divorced from reality and frequently associated with untimeliness These eighteen new essays argue from a multitude of perspectives that Schumann was in fact very much a man of his time informed not only by music but also the culture and society around him The book further reveals that the composer s reputation has been shaped significantly by for example changes in attitudes towards German romanticism and its history and recent developments in musical scholarship and performance Rethinking Schumann takes into account cultural and social institutional frameworks engages with ongoing and new issues of reception and historiography and offers fresh music analytical insights As a whole the essays assemble a portrait of the artist that reflects the different ways in which Schumann has been understood and misunderstood over the past two hundred years The volume is in short a timely reassessment of this ultimately non untimely figure s legacy While the essays consider some of Schumann s most famous music *Dichterliebe* *Kinderszenen* and the Piano Quintet they also provide crucial adjustment to judgments against the composer s later works by explaining their musical features not as the result of diminishing creative capacity but as reflections of the political and social situations of mid nineteenth century German culture and technological developments Schumann is revealed to have been a musician engaged by and responsive to his surroundings whose reputation was formed to a great extent by popular culture both in his own lifetime as he responded to particular poets and painters and later as his life and works were responded to by subsequent generations

This is likewise one of the factors by obtaining the soft documents of this **Schuberts Late Lieder Beyond The Song Cycles** by online. You might not require more get older to spend to go to the ebook foundation as capably as search for them. In some cases, you likewise get not discover the message Schuberts Late Lieder Beyond The Song Cycles that you are looking for. It will certainly squander the time.

However below, in the same way as you visit this web page, it will be suitably unconditionally simple to get as well as download lead Schuberts Late Lieder Beyond The Song Cycles

It will not consent many become old as we explain before. You can attain it while con something else at house and even in your workplace. consequently easy! So, are you question? Just exercise just what we give under as competently as evaluation **Schuberts Late Lieder Beyond The Song Cycles** what you with to read!

Schuberts Late Lieder Beyond The Song Cycles Introduction

Schuberts Late Lieder Beyond The Song Cycles Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Schuberts Late Lieder Beyond The Song Cycles Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Schuberts Late Lieder Beyond The Song Cycles : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Schuberts Late Lieder Beyond The Song Cycles : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Schuberts Late Lieder Beyond The Song Cycles Offers a diverse range of free eBooks across various genres. Schuberts Late Lieder Beyond The Song Cycles Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Schuberts Late Lieder Beyond The Song Cycles Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Schuberts Late Lieder Beyond The Song Cycles, especially related to Schuberts Late Lieder Beyond The Song Cycles, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Schuberts Late Lieder Beyond The Song Cycles, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Schuberts Late Lieder Beyond The Song Cycles books or magazines might include. Look for these in online stores or libraries. Remember that while Schuberts Late Lieder Beyond The Song Cycles, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Schuberts Late Lieder Beyond The Song Cycles eBooks for free, including

popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Schuberts Late Lieder Beyond The Song Cycles full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Schuberts Late Lieder Beyond The Song Cycles eBooks, including some popular titles.

FAQs About Schuberts Late Lieder Beyond The Song Cycles Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Schuberts Late Lieder Beyond The Song Cycles is one of the best book in our library for free trial. We provide copy of Schuberts Late Lieder Beyond The Song Cycles in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Schuberts Late Lieder Beyond The Song Cycles. Where to download Schuberts Late Lieder Beyond The Song Cycles online for free? Are you looking for Schuberts Late Lieder Beyond The Song Cycles PDF? This is definitely going to save you time and cash in something you should think about.
