Socialism Stefan Arvidsson,2025-05-30 This book explores the various ways in which socialists have understood the
relationship between their political beliefs and different religious and philosophical traditions Considering the rise of
secularism and the view that politics and life stances are two very different spheres it moves to examine the thought of those
who believed that faith and politics are as separate as night and day those who on the contrary believed that socialism rests
firmly on a religious foundation and those who have argued that socialism s foundations are solidly scientific and therefore
atheist An examination of a range of perspectives on socialism as a political ideology a deep conviction and even a form of
faith Secularist Religious and Scientific Socialism explores the aesthetic ethical and existential ideals that have ignited the
hearts of socialists describing in detail how these ideals have been expressed in political activism cultural forms and ways of
living It will therefore appeal to scholars of intellectual history political theory political philosophy and cultural history with
interests in socialism and religion Class List of the Books in the Reference Library Nottingham (England). Free Public
