*Modernism* Catherine E. Paul,2002 How modernist writers experienced the Louvre the British Museum and the Museum of

Natural History and how these museums influenced their writing      **The Degenerate Muse** Robin G. Schulze, 2013-09-19

The early twentieth century marked a dramatic shift in the American conception of nature This book analyzes the ways in which the scientific recasting of American nature as an antidote for degeneration influenced work of important modernist writers Harriet Monroe Ezra Pound and Marianne Moore      **Josephine Herbst's Short Fiction** Barbara Wiedemann, 1998

A native of Iowa and long time resident of Pennsylvania Josephine Herbst 1892 1969 well known and highly regarded in the 1930s was the author of seven novels twenty seven short stories a biography and numerous journal and newspaper articles In the current study the first on Herbst s short fiction the author provides a critical discussion of each of Herbst s stories including relevant biographical and historical data      *Ralph Ellison and Kenneth Burke at the Roots of the Racial Divide* Bryan Crable, 2012 Ralph Ellison and Kenneth Burke focuses on the little known but important friendship between two canonical American writers The story of this fifty year friendship however is more than literary biography Bryan Crable argues that the Burke Ellison relationship can be interpreted as a microcosm of the American racial divide Through examination of published writings and unpublished correspondence he reconstructs the dialogue between Burke and Ellison about race that shaped some of their most important works including Burke s *A Rhetoric of Motives* and Ellison s *Invisible Man* In addition the book connects this dialogue to changes in American discourse about race Crable shows that these two men were deeply connected intellectually and personally but the social division between white and black Americans produced hesitation embarrassment mystery and estrangement where Ellison and Burke might otherwise have found unity By using Ellison s nonfiction and Burke s rhetorical theory to articulate a new vocabulary of race the author concludes not with a simplistic healing of the divide but with a challenge to embrace the responsibility inherent to our social order

American Literatures Initiative      **Bodies of Poems** Lennart Nyberg, 2009 The traditional borders between the arts have been eroded to reveal new connections and create new links between art forms Cultural Interactions is intended to provide a forum for this activity It will publish monographs edited collections and volumes of primary material on points of crossover such as those between literature and the visual arts or photography and fiction music and theatre sculpture and historiography      **Becoming Modern** Carolyn Burke, 1996-07-25 The poet and visual artist Mina Loy has long had an underground reputation as an exemplary avant gardist Born in London of mixed Jewish and English parentage and a much photographed beauty she moved in the pivotal circles of international modernism in Florence as Gertrude Stein s friend and Marinetti s lover in New York as Marcel Duchamp s co conspirator and Djuna Barnes s confidante in Mexico with the greatest love the notorious boxer poet Arthur Cravan in Paris with the Surrealists and Man Ray Carolyn Burke s riveting authoritative biography *Becoming Modern* brings this highly original and representative figure wonderfully alive in the process giving us a new picture of modernism and one woman s important contribution to it      *Hints and Disguises* Celeste Goodridge, 1989      *Painted Shadow* Carole Seymour-Jones, 2009-12-23 By the time Vivienne Eliot was committed to an

asylum for what would be the final nine years of her life she had been abandoned by her husband T S Eliot and shunned by literary London Yet Vivienne was neither insane nor insignificant She generously collaborated in her husband s literary efforts taking dictation editing his drafts and writing articles for his magazine Criterion Her distinctive voice can be heard in his poetry And paradoxically it was the unhappiness of the Eliots marriage that inspired some of the poet s most distinguished work from *The Family Reunion* to *The Waste Land* This first biography ever written about Vivienne draws on hundreds of previously unpublished papers journals and letters to portray a spontaneous loving but fragile woman who had an important influence on her husband s work as well as a great poet whose behavior was hampered by psychological and sexual impulses he could not fully acknowledge Intriguing and provocative *Painted Shadow* gracefully rescues Vivienne Eliot from undeserved obscurity and is indispensable for anyone wishing to understand T S Eliot Vivienne or the world in which they traveled

*The Poems of T. S. Eliot, Volume I* T. S. Eliot, 2018-12-04 The first volume of the first paperback edition of *The Poems of T S Eliot* This two volume critical edition of T S Eliot s poems establishes a new text of the *Collected Poems* 1909 1962 rectifying accidental omissions and errors that have crept in during the century since Eliot s astonishing debut *The Love Song of J Alfred Prufrock* In addition to the masterpieces *The Poems of T S Eliot* contains the poems of Eliot s youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot s critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem This first volume respects Eliot s decisions by opening with his *Collected Poems* 1909 1962 as he arranged and issued it shortly before his death This is followed by poems uncollected but either written for or suitable for publication and by a new reading text of the drafts of *The Waste Land* The second volume opens with the two books of verse of other kinds that Eliot issued *Old Possum s Book of Practical Cats* and *Anabasis* his translation of St John Perse s *Anabase* Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse

*An Eye on the Modern Century* Henry McBride, Steven Watson, 2000-01-01 Philippe Sands has extensively revised this leading textbook to include all new developments since 1994 including all the international case law ICJ ITLOS WTO human rights etc and new international legislation genetically modified organisms the Kyoto Protocol oil pollution chemicals etc It is the most comprehensive account of the principles and rules relating to the protection of the environment and the conservation of natural resources It incorporates all the key material from the 1992 Rio Declaration and subsequent developments Topics include the legal and institutional framework the field s historic development standards for general application in addition to the protection of the atmosphere oceans etc the techniques available for implementation such as the environmental impact assessment and liability compensation for environmental damage It will be used on its own

**The Space and Place of Modernism** Adam McKible, 2013-01-11 This book examines reactions to the Russian Revolution by four little magazines of the teens and twenties *The Liberator* *The Messenger* *The Little Review* and *The Dial* in order to analyze some of the ways modernist writers negotiate the competing demands of aesthetics political commitment and race Re-examining interconnections among such superficially disparate phenomena as the Harlem Renaissance Greenwich Village bohemianism modernism and Leftist politics this book rightly emphasizes the vitality of little magazines and argues for their necessary place in the study of modernism      The New York Times Book Review , 1994-10

Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback      *Little Magazines & Modernism* Adam McKible, 2016-12-05 Little magazines made modernism happen These pioneering enterprises were typically founded by individuals or small groups intent on publishing the experimental works or radical opinions of untried unpopular or underrepresented writers Recently little magazines have re-emerged as an important critical tool for examining the local and material conditions that shaped modernism This volume reflects the diversity of Anglo-American modernism with essays on avant-garde literary political regional and African American little magazines It also presents a diversity of approaches to these magazines discussions of material practices and relations analyses of the relationship between little magazines and popular or elite audiences examinations of correspondences between texts and images feminist modifications of the traditional canon or histories and reflections on the emerging field of periodical studies All emphasize the primacy and materiality of little magazines With a preface by Mark Morrisson an afterword by Robert Scholes and an extensive bibliography of little magazine resources the collection serves both as an introduction to little magazines and a reconsideration of their integral role in the development of modernism

Forgotten Prophet Bruce Clayton, 1998 Rarely has an individual's life been so inseparable from his writing as was Randolph Bourne's His work reveals not only his political viewpoints but also his humanistic personality and the tumultuous era during which he lived *Forgotten Prophet* carefully examines the intellect and personality of the born essayist who saw clearly both his century's potential for harmony and the danger that it faced from the lingering tides of nineteenth-century European nationalism Disfigured and hunchbacked Bourne reacted to his disability not with bitterness or self-pity but rather with an exuberant love for beauty and a compassion for humanity that created in him a longing for a truly cosmopolitan society a trans-national America that would draw its strength from ethnic diversity and political pluralism Nearly alone among American intellectuals Bourne actively denounced

involvement in World War I He foresaw that beyond the horrible cost in young lives the war would bring in its wake the spiritual impoverishment of the nation and the disillusionment of its youth it would strangle reform and social tolerance exacerbate racism and nativism and plant the seeds for further international instability Although derided and largely ignored at the time they were written Bourne s fearful predictions would all too quickly be confirmed in the dissolute frenzy of the jazz age the turmoil of the 1930s and the social chaos that brought about the rise of fascism in Europe and soon an even more destructive war Bourne did not live to witness this terrifying unfolding of events His career as a social critic was brief but prolific When he died in 1918 at the age of thirty two a victim of the flu epidemic he had completed three books and more than a hundred essays His first book Youth and Life is considered by some to be the original manifesto of the counterculture From his earliest years as a writer Bourne was identified as a voice for youth idealism and progress in human relations Forgotten Prophet characterizes Bourne not just as a foreseer of this century s bloodshed but equally important as an apostle of hope a champion of what was best most truthful in the arts in politics and in the conduct of our daily lives **The American Literary Review** Gerardus Antonius Maria Janssens,1968
