Abstract

What is the determinant of the scope of justice? Should rules of justice that regulate the interactions of the members of my society be extended to cover how such members interact with outsiders, entities that fall outside the boundary of my society? Two major approaches—namely, the deontological/contractarian and the utilitarian—offer their answers. Although their answers differ, they are universal in the sense that they do not draw a boundary between the members of my society and outsiders. As a result, one answer is deficient while the other is non-feasible. The only possible answer is the “Average Principle”. The Average Principle means that the boundary of my society can expand as long as the average wellbeing (GDP/capita) of my society does not decline. However, the Average Principle faces its own problem: the Average Principle is contingent on one’s group membership—i.e., amounting to a parochial answer. That is, the Average Principle cannot be a universal response as the case with the deontological/contractarian and the utilitarian approaches. In effect, this paper finds that the scope of the justice question faces a dilemma. While the deontological/contractarian and the utilitarian approaches involve universal moral principles, one is deficient and the other is non-feasible. While the Average Principle reasoning is non-deficient and feasible, it cannot amount to a universal moral principle. This paper finds that the scope of justice dilemma has no solution that is universal while, simultaneously, non-deficient and feasible.

Keywords Injustice · Exploitation · Political versus social community · Utilitarian approach · Deontological/contractual approach · Parfit’s repugnant conclusion · Social welfare function · Rational choice · Altruism · Rawls’ *Theory of Justice* · Species membership problem (the boundary problem) · Animal rights · Population ethics · Malthusian resource constraints

Scope Of Justice

Robert A Giacalone, Mark D Promislo

Scope Of Justice:

Justice, Legitimacy, and Diversity Emanuela Ceva, Enzo Rossi, 2013-09-13 Most contemporary political philosophers take justice rather than legitimacy to be the fundamental virtue of political institutions vis vis the challenges of ethical diversity Justice driven theorists are primarily concerned with finding mutually acceptable terms to arbitrate the claims of conflicting individuals and groups Legitimacy driven theorists instead focus on the conditions under which those exercising political authority on an ethically heterogeneous polity are entitled to do so But what difference would it make to the management of ethical diversity in liberal democratic societies if legitimacy were prior to or independent from justice This question identifies a widely underexplored issue whose theoretical salience shows how the understanding of what constitutes the primary question of political philosophy has a deep impact on how practical political questions are interpreted and addressed What difference would it make for example whether the difficulties concerning the safeguard of human rights were couched in terms of the justice or of the legitimacy of the documents and treaties sanctioning their implementation How should the issue of the quality of democracies be addressed whether one assigned priority to the justice or legitimacy of democratic institutions Addressing these and other topical questions the book offers a new theoretical angle from which to consider a number of pressing social and political issues This book was previously published as a special issue of the Critical Review of Social and Political Philosophy Handbook of Social Justice Theory and Research Clara Sabbagh, Manfred

Schmitt, 2016-02-08 The International Society for Justice Research ISJR aims to provide a platform for interdisciplinary justice scholars who are encouraged to present and exchange their ideas This exchange has yielded a fruitful advance of theoretical and empirically oriented justice research This volume substantiates this academic legacy and the research prospects of the ISJR in the field of justice theory and research Included are themes and topics such as the theory of the justice motive the mapping of the multifaceted forms of justice distributive procedural and justice in context bound spheres e g non humans It presents a comprehensive state of the art overview in the field of justice research theory and it puts forth an agenda for future interdisciplinary and international justice research It is worth noting that authors in this proposed volume represent ISJR s leading scholarship Thus the compilation of their research within a single framework exposes potential readers to high quality academic work that embodies the past current and future trends of justice research **The**

Psychology of Justice and Legitimacy D. Ramona Bobocel, Aaron C. Kay, Mark P. Zanna, James M. Olson, 2011-02-25 In response to the international turmoil violence and increasing ideological polarization social psychological interest in the topics of legitimacy and social justice has blossomed considerably Social psychologists have explored the psychological underpinnings of people s reactions to injustice and illegitimacy including the behavioral and psychological consequences of the motivation to view individual outcomes and governmental systems as just and legitimate Although injustice and illegitimacy are clearly related at conceptual and theoretical levels these two rich literatures are rarely integrated Social

justice researchers have focused on how people make sense of particular instances of injustice whereas legitimacy researchers have tended to focus primarily on people's reactions to unfair systems of intergroup relations This 11th volume of the Ontario Symposium series brings together the work of leading researchers in fields of social justice and legitimacy to facilitate the cross pollination and integration of these fields The contributions address broad theoretical issues and cutting edge empirical advances while illustrating the diversity and richness of research in the two fields By uniting these two domains this volume will stimulate new directions in theory and research that seek to explain how and why people make sense of injustice at all levels of analysis Business Ethics in Theory and Practice Patricia Werhane, Alan E.

Singer, 2013-04-17 This book originated in a symposium on business ethics that took place in the Faculty of Commerce at the University of Canterbury in September of 1997 Professor Werhane who was a visiting Erskine Fellow provided the keynote address and many of the papers in this collection were originally presented at this symposium We are grateful to Kluwer Publishers for the opportunity to publish these essays in their series on International Business Ethics We want to thank the Olsson Center for Applied Ethics at the Darden School University of Virginia and the Erskine Trust and the Department of Management at the University of Canterbury for their support of Professor Werhane's fellowship research for this text and funding for its production We especially want to thank Lisa Spiro who copy edited and prepared the manuscript for publication INTRODUCTION AND OVERVIEW This book originated in a symposium on business ethics that took place in the faculty of commerce at the University of Canterbury in September 1997 Professor Werhane who was a visiting Erskine Fellow provided the keynote address Contributions to the proceedings were interdisciplinary spanning theory and practice Subsequent contributions were obtained from within New Zealand and from Asia The book starts off on rather a pessimistic note the new managerialism the kind of thing Scott Adams jokes about in the world famous Dilbert cartoons is economically suspect and psychologically damaging **Handbook of Unethical Work Behavior:** Robert A Giacalone, Mark D

Promislo, 2014-12-18 This handbook covers the widest possible range of organizational misbehaviors age race and gender discrimination abuse bullying aggression violence fraud and corruption all with an eye toward the effects on individual and organizational health and well being It is the first ever single source resource on this important topic Current Societal

Concerns about Justice Leo Montada, Melvin J. Lerner, 2013-06-29 What role does justice play in the formation of public opinion and the scholarly debates about social problems Does the perception of injustice force problems to appear on the political agenda Does the perception of an injustice give momentum to social change Or are violations of self interest or threats to one's material welfare the more important factors Or are empathy driven concerns for the needy and the disadvantaged motivations to solve societal problems What is known about the role justice concerns play in leadership In several chapters of this volume justice concerns and justice motives are viewed in relation to other concerns and motivations welfare self interest altruism It is argued that the consensus of political theorists converges on mutual advantage as the main

criterion of acceptable solutions to solving societal problems In economics self interest is considered the driving force and provides the criterion of acceptable solutions Sociological and social psychological exchange theories share these basic assumptions Thus questions are raised and answered concerning how justice and these other important motives appear in the analyses of societal problems and the search for solutions Moreover in addition to the issue of conflicting motives self interest altruism justice it is commonly recognized that the definition of what is just and what is unjust is open to question In public as well as in scientific dialogues diverging views about justice have to be integrated or decided upon

The Oxford Handbook of Intergroup Conflict Linda Tropp, 2012-07-26 With insightful chapters from key social psychologists and peace scholars this handbook offers an integrative and extensive overview of critical questions issues processes and strategies relevant to understanding and addressing intergroup conflict

Global Justice and Climate Governance Alix Dietzel, 2018-12-19 The scope of climate justice The grounds of climate justice The demands of climate justice Bridging theory and practice Assessing multilateral climate governance Assessing transnational climate governance

Institutions in Global Distributive Justice Andras Miklos, 2013-02-20 Defining an institution as a public system of rules that sets out positions rights and duties Andras Miklos uses a philosophical argument to analyse the roles that social economic and political institutions play in conditioning the justification scope and content of principles of justice He critically evaluates a number of positions about the role of institutions in generating requirements of distributive justice and considers their implications for the scope global or otherwise of justice He then develops a novel theory about the role political and economic institutions play in determining the content of requirements of distributive justice and in a cosmopolitan argument against statist positions shows how they can affect the scope of application of these requirements

Social Justice, Global Dynamics Ayelet Banai, Miriam Ronzoni, Christian Schemmel, 2011-04-06 Addresses fundamental problems in international justice by identifying problematic practices and trends in the in the global order and offering normative views on policies and institutions including international health policies the World Bank taxation policies and the World Trade Organization

Justice, Morality, and Social Responsibility Stephen W. Gilliland, Dirk D. Steiner, Daniel P. Skarlicki, 2008-10-01 This volume of Research in Social Issues in Management critically examines theoretical underpinnings of organizational justice and corporate social responsibility by identifying motives underlying desires for justice and by considering responses to injustice The first set of chapters explores issues of morality emotions and social exchange relationships These can be seen as engines that drive reactions to organizational justice The second set of chapters addresses injustice and recovery the social systems surrounding justice and the application of justice principles to organizations environmental and sustainability practices A commentary chapter highlights ten themes that cross this interesting collection of paper on Justice Morality and Social Responsibility

The Enigma of Justice Claire Nyblom, 2023-03-20 The Enigma of Justice Freedom and Morality in the Work of Immanuel Kant G W F Hegel Agnes Heller and Axel Honneth offers a novel perspective on the idea of justice Claire

Nyblom argues that justice is a cultural and historical constant routinely summoned as if it were a foundational concept to legitimate or challenge social arrangements. Instead, justice is characterized by a plurality of theories containing regulative and critical dimensions that are in tension. Nyblom argues that the categorical imperative can be positioned as a strong evaluative standard that mediates plurality, creating a revisable idea of justice resistant to relativism. After identifying the originating architecture of Immanuel Kant and G. W. F. Hegel, the discussion engages with the work of Agnes Heller and Axel Honneth, using the pivots of justice as an analytic lens focused on commonalities rather than differences. This framework leads to a dialogue between Heller and Honneth that strengthens their respective positions. *The Enigma of Justice* provides a valuable study and insight into the contemporary nature of justice. The book provides a useful orientation for students and scholars interested in debates about justice and to those working in the areas of European philosophy, social and political theory, sociology, and the law.

Justice across Boundaries Onora O'Neill, 2016-02-15 Who ought to do what and for whom if global justice is to progress? In this collection of essays on justice beyond borders, Onora O'Neill criticises theoretical approaches that concentrate on rights yet ignore both the obligations that must be met to realise those rights and the capacities needed by those who shoulder these obligations. She notes that states are profoundly anti-cosmopolitan institutions and that even those committed to justice and universal rights often lack the competence and the will to secure them, let alone to secure them beyond their borders. She argues for a wider conception of global justice in which obligations may be held either by states or by competent non-state actors and in which borders themselves must meet standards of justice. This rich and wide-ranging collection will appeal to a broad array of academic researchers and advanced students of political philosophy, political theory, international relations, and philosophy of law.

Post-Conflict Justice M. Cherif Bassiouni, 2021-10-01 Thirty scholars and experts discuss and provide wide-ranging views on a variety of accountability measures: the establishment of ad hoc criminal tribunals for the Former Yugoslavia and Rwanda; truth commissions in South Africa and El Salvador; and lustration laws for the former Czechoslovakia and Germany after its reunification. Also discussed are amnesty for previous crimes and accountability post-conflict justice involving issues pertaining to the restoration of law and order and the rebuilding of failed national justice systems. In addition, the book also contains an important set of guidelines designed to achieve accountability and eliminate impunity. The guidelines with commentaries have been prepared by a distinguished group of experts, many of whom have also contributed articles to this volume. Published under the Transnational Publishers imprint.

Theories of Distributive Justice Jeppe Platz, 2020-02-14 How should we design our economic systems? Should we tax the rich at a higher rate than the poor? Should we have a minimum wage? Should the state provide healthcare for all? These and many related questions are the subject of distributive justice, and different theories of distributive justice provide different ways to think about and answer such questions. This book provides a thorough introduction to the main theories of distributive justice and reveals the underlying sources of our disagreements about

economic policy It argues that the universe of theories of distributive justice is surprisingly simple yet complicated It is simple in that the main theories of distributive justice are just four in number and in that these theories each offer a distinct well defined theoretical approach to distributive justice yet it is complicated in that the main theories disagree at several distinct fundamental levels and in that it is possible to spin innumerable new theories from the elements of the four main theories Key Features Covers the four major theories of distributive justice and their leading philosophers elucidating the attractions and drawbacks of each Friedrich A von Hayek and right liberalism John Rawls and left liberalism Robert Nozick and libertarianism Gerald A Cohen and socialism Explains why these four theories have come to dominate most philosophical discussions on distributive justice highlighting the essential answer provided in each that is lacking in other theories Written for any reader interested in the topic with an annotated reading list at the end of each chapter and helpful glossary at the back of the book

Justice Karen A. Hegtvold, Jody Clay-Warner, 2008-08-01 Discusses a range of fundamental issues about justice This work addresses issues pertaining to distributive procedural and interactional justice using a range of methodologies It focuses on issues relevant to the processes underlying justice evaluations including motivations perceptions identities ideologies and exclusionary practices

Towards Justice and Virtue Onora O'Neill, 1996-08-28 *Towards Justice and Virtue* challenges the rivalry between those who advocate only abstract universal principles of justice and those who commend only the particularities of virtuous lives Onora O'Neill traces this impasse to defects in underlying conceptions of reasoning about action She proposes and vindicates a modest account of ethical reasoning and a reasoned way of answering the question who counts then uses these to construct linked accounts of principles by which we can move towards just institutions and virtuous lives

Marxist Ethics within Western Political Theory N. Fischer, Asher Z. Milbauer, 2015-04-09 As widely applied as Marxist theory is today there remain a host of key western thinkers whose texts are rarely scrutinized through a Marxist lens In this philosophical analysis of Marx's never before translated German notes on Machiavelli Montesquieu Rousseau and Lewis Henry Morgan Norman Fischer points to a strain of Marxist ethics that may only be understood in the context of the great works of Western political theory and philosophy particularly those that emphasize the republican value of public spiritedness the communitarian value of solidarity and the liberal values of liberty and equality

The Oxford Handbook of Environmental and Conservation Psychology Susan D. Clayton, 2012-10-18 First handbook to integrate environmental psychology and conservation psychology

Mobilities, Mobility Justice and Social Justice Nancy Cook, David Butz, 2018-10-03 This book offers a cutting edge overview of mobility mobility justice and social justice with contributions from a broad range of leading scholars Mobility justice is understood as a way to frame the entanglements of power and social exclusion in the mobilities of humans things and ideas as well as to differential and unequal access to movement and the ability to move The introductory chapters firmly ground the concept of mobility justice and social justice with the proceeding chapters covering a range of topics from race sexuality ferry justice and aeromobility

Scope Of Justice Introduction

In today's digital age, the availability of Scope Of Justice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Scope Of Justice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Scope Of Justice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Scope Of Justice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Scope Of Justice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Scope Of Justice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Scope Of Justice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Scope Of Justice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Scope Of Justice books and manuals for download and embark on your journey of knowledge?

FAQs About Scope Of Justice Books

1. Where can I buy Scope Of Justice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Scope Of Justice book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Scope Of Justice books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Scope Of Justice audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Scope Of Justice books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
