Rituals and Traditional Events in the Modern World Jennifer Laing, Warwick

Frost, 2014-10-30 Many events have evolved over centuries drawing on local customs and conditions However as the world becomes increasingly globalised traditional events and the identities they support are increasingly being challenged and rituals may be lost Reacting against this trend towards homogeneity communities strive to preserve and even recreate their traditional events which may require rituals to be resurrected or reinvented for a new audience The aim of this book is to explore the role of traditional events and rituals in the modern world The 16 chapters cover a range of case studies of the performance of ritual through events including their historical antecedents and development over time as well as their role in society link with identities both seemingly fixed and fluid and their continued relevance The cases examined are not museum pieces but rather vibrant festivals and events that continue to persist Drawing on the power of history and cultural tradition they are manifestations of heritage existing in three temporalities celebrating the past occurring in the present and aiming to continue into and influence the future Iconic events including Chinese New Year Hogmanay and the New Orleans Mardi Gras are examined and examples are drawn from a diverse range of countries such as South Korea China Laos the United States Scotland Italy India and Haiti This volume provides a deep understanding upon the role of tradition and ritual within events from a global perspective and will be valuable reading for students researchers and academics interested in events heritage and culture

Rooted in Scotland Cameron Taylor, 2024-08-19 The idea of home can be associated with the notion of an ancestral homeland a place where something greather than any one individual began It is difficult to underestimate just how powerful an experience visiting an ancestral homeland can be There are several guides to tracing your Scottish ancestry and many serious historical studies of emigration Rooted in Scotland takes a different perspective from most ancestry guides Its starting point is that your sense of connection with Scotland has meaning and legitimacy and that your journey of discovery helps you understand who you really are The best places to start tips on exploring ancestry and a guide to the best websites Includes one man s emigration diary a one hundred year old first hand account of what your own ancestors have gone through Written by an ancestral research expert Wherever you are in the world your Scottish ancestry is worth exploring and celebrating This book will help you do both This book is a plea for restoring the role of emotion and imagination into all out dusty enquiries and its warmth is inspiring YOUR FAMILY TREE Will provide anyone with Scots ancestry with a wonderful insight into the significance of their heritage whilst inviting them to come and visit their homeland NATALIE MOFFAT Ancestral Marketing Manager Visit Scotland a fresh and inspiring perspective on what it means to have Scottish ancestry as

Prizing Scottish Literature Stevie Marsden, 2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider

cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society's Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary and indeed cultural prizes more broadly **Scotland's Long**

Reformation John McCallum, 2016-09-12 Exploring processes of religious change in early modern Scotland this collection of essays takes a long term perspective to consider developments in belief identity church structures and the social context of religion from the late fifteenth century through to the mid seventeenth century The volume examines the ways in which tensions and conflicts with origins in the mid sixteenth century continued to impact upon Scotland in the often violent seventeenth century while also tracing deep continuities in Scotland's religious cultural and intellectual life The essays the fruits of new research in the field are united by a concern to appreciate fully the ambiguity of religious identity in post Reformation Scotland and to move beyond simplistic notions of a straightforward and unidirectional transition from Catholicism to Protestantism **Celebration Legal Essays**, 1919 **Exploring Scotland's Hidden Gems** Pasquale De
