

A stylized, high-contrast illustration of a Scottish castle, likely Edinburgh Castle, perched on a dark, craggy cliff. The castle is rendered in dark grey and black tones, with a small flag flying from a tower. The foreground shows a rocky, uneven landscape with patches of green and purple. The sky is a mix of blue and white, suggesting clouds. The overall style is graphic and modern.

People lost their livelihoods and were evicted from their homes. Evictions, starvation, and government policy led to an upsurge in emigration. Until economic conditions improved during the Crimean War, emigration played a key role in the salvation of a starving population.
