At Home in Nature Rebecca Kneale Gould, 2005-10-24 Gould's attention to the ironies and ambivalences that abound in the practice of homesteading provides fresh and insightful perspective Beth Blissman Oberlin College This luminously written ethnography of the worlds that homesteaders make significantly broadens our understanding of modern American religion In richly textured descriptions of the everyday lives and work of the homesteaders with whom she lived Gould helps us understand how the tasks of clearing land making bread and building a garden wall were ways of taking on the most urgent issues of meaning and ethics Robert A Orsi Harvard University This is a fascinating authoritative and accessible look at one of America's most important subcultures If you ever get around to building that cabin in the woods or especially if you don't you'll want this volume on the bookshelf Bill McKibben author of *Wandering Home A Long Walk Across America's Most Hopeful Landscape* Rebecca Gould's compelling book on American homesteading brings the study of the religion nature connection in the U S to a new place Catherine L Albanese author of *Nature Religion in America From the Algonkian Indians to the New Age* Gould provides brand new data and sheds new interpretive light on familiar figures and movements *At Home in Nature* is a model of how to seamlessly blend ethnography and history Bron Taylor University of Florida editor of the *Encyclopedia of Religion and Nature*

The Lost Spy: An American in Stalin's Secret Service Andrew Meier, 2009-08-10 Filled with dramatic revelations *The Lost Spy* may be the most important American spy story to come along in a generation exploring the life and death of Isaiah Oggins one of the first Americans to spy for the Soviets of illustrations **Church and Estate** Thomas F. Rzeznik, 2015-01-14 In *Church and Estate* Thomas Rzeznik examines the lives and religious commitments of the Philadelphia elite during the period of industrial prosperity that extended from the late nineteenth century through the 1920s The book demonstrates how their religious beliefs informed their actions and shaped their class identity while simultaneously revealing the ways in which financial influences shaped the character of American religious life In tracing those connections it shows how religion and wealth shared a fruitful yet ultimately tenuous relationship

Modern American Environmentalists George A. Cevasco, Richard P. Harmond, 2009-04-27 *Modern American Environmentalists* profiles the lives and contributions of nearly 140 major figures during the twentieth century environmental movement Included are iconic environmentalists such as Rachel Carson E O Wilson Gifford Pinchot and Al Gore and important but less expected names including John Steinbeck and Allen Ginsberg The entries recount how each individual became active in environmental conservation detail his or her significant contributions trace the influence of each on future efforts and discuss the person's legacy The individuals selected for the book displayed either an unparalleled commitment to the conservation preservation restoration and enhancement of the natural environment or made a major contribution to the growth of environmentalism during its first century With a foreword by environmental historian Everett I Mendelsohn a time line of key environmental events a bibliography of groundbreaking works and an index organized by specialization this biographical

encyclopedia is a handy and complete guide to the major people involved in the modern American environmental movement
Mark Harvey **Opposition to War** Mitchell K. Hall, 2018-01-04 How have Americans sought peaceful rather than

destructive solutions to domestic and world conflict This two volume set documents peace and antiwar movements in the United States from the colonial era to the present Although national leaders often claim to be fighting to achieve peace the real peace seekers struggle against enormous resistance to their message and have often faced persecution for their efforts Despite a well established pattern of being involved in wars the United States also has a long tradition of citizens who made extensive efforts to build and maintain peaceful societies and prevent the destructive human and material costs of war Unarmed activists have most consistently upheld American values at home Opposition to War An Encyclopedia of U S Peace and Antiwar Movements investigates this historical tradition of resistance to involvement in armed conflict an especially important and relevant topic today as the nation has been mired in numerous military conflicts throughout most of the current century The book examines a largely misunderstood and underappreciated minority of Americans who have committed themselves to finding peaceful resolutions to domestic and international conflicts individuals who have proposed and conducted an array of practical and creative methods for peaceful change from the transformation of individual behavior to the development of international governing and legal systems for more than 250 years Readers will learn how individuals working alone or organized into societies of various size have steadfastly campaigned to stop war end the arms race eliminate the underlying causes of war and defend the civil liberties of Americans when wartime nationalism most threatens them Encyclopedia of the Gilded Age and Progressive Era John D. from the end of Reconstruction 1877 to 1920 the entries of this reference were chosen with attention to the people events inventions political developments organizations and other forces that led to significant changes in the U S in that era Seventeen initial stand alone essays describe as many themes Readers' Guide to Periodical Literature , 1919 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1919 **American Women Conservationists** Madelyn Holmes, 2004-04-20 This collection of biographies describes twelve women conservationists who helped change the ways Americans interact with the natural environment Their writings led Americans to think differently about their land deserts are not wastelands swamps have value and harmful insects don't have to be controlled chemically These women not only wrote on behalf of conservation of the American landscape but also described strategies for living exemplary environmentally sound lives during the past century From a bird lover to a back to the land activist these women gave early warning of the detrimental effects of neglecting conservation The main part of this work covers six historical figures who pioneered in their thinking and writing about the environment Mary Austin Florence Merriam Bailey Rosalie Edge Marjory Stoneman Douglas Helen Nearing and Rachel Carson A later chapter gives portraits of six post World War II conservationists Faith McNulty Ann Zwinger Sue Hubbell Anne LaBastille Mollie Beattie and Terry

Tempest Williams The work covers a broad range of conservationist concerns including preservation of deserts and old growth forests wildlife protection wetlands maintenance self sufficient sustainable ways of producing food and pollution control A conclusion examines where conservationists have picked up after Rachel Carson s Silent Spring 1962 and gives conservation ideas for our time An appendix lists the published writings of the twelve conservationists **Readers and Writers in Cuba** Pamela Maria Smorkaloff,2021-04-14 This study examines the evolution of Cuban literature and culture from its origins in the 19th century to the present The early sections analyze the relationship between literary production and universities the printing press the abolitionist movement and the exile community from 1810 through the post war years Subsequent sections trace literary life from the 1920s to 1958 focusing on the links between writers readers and the institutions that supported literary endeavors in the Cuban Republic The remaining chapters address Cuban literary culture from 1959 through the 1990s This first thorough study of Cuban print culture after the 1959 revolution fills a large gap in Latin American studies with original research in archives and journals Analysis of the relationship between literature and contemporary Cuban society is grounded in the earliest Cuban vernacular literature born in the Spanish colony and redefined in the process of nation building in the first half of the 20th century The book also surveys Cuban literary production in the current period of transition confronting issues of globalization fragmentation and Cuba s adjustment to a post Cold War world *Reading Lessons* Gerald Coles,1999-09 The dominant debate over literacy disregards the myriad societal influences that affect teaching and learning influences that are not readily visible in the classroom No debate can adequately understand how literacy is taught and learned what causes literacy achievement and underachievement or how literacy success is defined unless it accounts for these macro influences If the debate over literacy were more about politics economics and power in society and less about the best way to teach literacy we would better understand how to rear literate children Intro p 8 *Reading with a Purpose* ,1927 **Reading Slaughter** Sune Borkfelt,2022-05-06 *Reading Slaughter* Abattoir Fictions Space and Empathy in Late Modernity examines literary depictions of slaughterhouses from the development of the industrial abattoir in the late nineteenth century to today The book focuses on how increasing and ongoing isolation and concealment of slaughter from the surrounding society affects readings and depictions of slaughter and abattoirs in literature and on the degree to which depictions of animals being slaughtered creates an avenue for empathic reactions in the reader or the opportunity for reflections on human animal relations Through chapters on abattoir fictions in relation to narrative empathy anthropomorphism urban spaces rural spaces human identities and horror fiction Sune Borkfelt contributes to debates in literary animal studies human animal studies and beyond **Reading Matters** Ulrich Marzolph,2023 The present book is a special gift for a special colleague and friend Defined as an Unfestschrift it gives colleagues students and friends of Regina Bendix an opportunity to express their esteem for Regina s inspiration cooperation leadership and friendship in an adequate and lasting manner The title of the present book *Reading Matters* is as close as

possible to an English equivalent of the beautiful German double entendre *Erlesenes* meaning both something read a reading and something exquisite Presenting matters for reading the *Unfestschrift* unites short contributions about readings that mattered in some way or another for the contributors readings that had an impact on their understanding of whatever they were at some time or presently are interested in The term readings is understood widely Since most of the invited contributors are academics the term implies in the first place readings of an academic or scholarly nature In a wider notion however readings also refer to any other piece of literature the perception of a piece of art a painting a sculpture a performance listening to music appreciating a folkloric performance or a fieldwork experience or just anything else whose reading or individual perception has been meaningful for the contributors in different ways Contrary to a strictly scholarly treatment of a given topic in which the author often disappears behind the subject the presentations unveil and highlight the contributor's personal involvement and thus a dimension of crucial importance for ethnographers such as the dedicatee

Reading 1922 Michael North, 2001-12-20 This engaging study returns to a truly remarkable year the year in which both *Ulysses* and *The Waste Land* were published in which *The Great Gatsby* was set and during which the Fascists took over in Italy the Irish Free State was born the Harlem Renaissance reached its peak Charlie Chaplin's popularity crested and King Tutankhamen's tomb was discovered In short the year which not only in hindsight became the primal scene of literary modernism but which served as the cradle for a host of major political and aesthetic transformations resonating around the globe In his previous study the acclaimed *Dialect of Modernism* OUP 1994 Michael North looked at the racial and linguistic struggles over the English language which gave birth to the many strains of modernism Here he expands his vision to encompass the global stage and tells the story of how books changed the future of the world as we know it in one unforgettable year *The New International Encyclopædia: Supplement (Municipal government-Zweig) and Courses of Reading and Study*, 1925 [California State Journal of Medicine](#), 1917 [Monopoly](#) Philip E. Orbanes, 2007-10-09 Philip Orbanes master of all things Monopoliana traces the remarkable story of the world's most famous board game from its origins as a collegiate teaching tool in the early twentieth century through Monopoly's explosive growth in the postwar decades to the game's current status as a fixture in homes across the globe Along the way Orbanes includes memorable Monopoly personality portraits surprising Monopoly legends and lore and an extraordinary tour of the ingenious advertising that contributed to the game's rise in popularity This is the first and only book to cover comprehensively the origin growth and global reach of the game that has become a universal and everyday cultural icon [Reading for Realization of Varied Experience for the Primary and Intermediate Grades and the Junior and Senior High School](#) Sterling Andrus Leonard, 1922

Quest for Walden Loren C. Owings, 1997 Ever since Henry David Thoreau penned his masterpiece *Walden* a chronicle of his two year sojourn in the woods of Concord Massachusetts Americans have yearned for a return to pastoral life to a place where the simplicities and beauty of nature dictate a quality of life not found in modern urban America The metaphor of

Walden inspired many to seek out and write about country life and the back to the land movement in America This is the first book length study of that interesting genre the country book written primarily for urban dwellers It gives detailed content analyses of both country life essays and guides to country living from 1863 through 1995
