reading In Scotland beautiful as it is it was always raining Even when it wasn't raining it was about to rain or had just rained It's a very angry sky Colin Hay Scotland is a fascinating and ancient land filled with history It has produced explorers warriors inventors writers and more than a few murderers For many centuries it fought bitter wars against England to maintain its independence and even when those wars were finally lost Scotland retained its distinct culture and identity Though a part of the United Kingdom it would be a mistake to lump it in with England Wales and Northern Ireland as Scotland has its own tales to tell and traditions to maintain Not everything in Scotland is as it appears however Some Scots say this is a land haunted by spirits a place of strange disappearances and unexplained phenomena There is no shortage when it comes to the strange stories Scotland has to offer and the legends and lore have compelled many to dig a little deeper and even explore this wonderful land for themselves Some of those tales are downright grisly Scotland has always been a rival to its southern neighbor and the rivalry extends to the number of hauntings in its medieval castles stately homes and old cobblestone streets While many Englishmen claim that their country is the most haunted the Scots can point to their own stories of ghosts as evidence they may beat the English in this dubious distinction The Ghosts of Scotland A Collection of Ghost Stories across the Scottish Nation is a collection of such tales just a few among the thousands of local legends and modern sightings that make Scotland one of the most haunted countries in the world It is part of a collection of other books written by Sean McLachlan including The Ghosts of England A Collection of Ghost Stories across the English Nation and The Ghosts of Ireland A Collection of Ghost Stories across the Emerald Isle For other strange occurrences in Scotland ranging from Nessie to jelly falling from the sky check out another title in the series Weird Scotland Monsters Mysteries and Magic Across the Scottish Nation Along with pictures of important people places and events you will learn about the ghosts of Scotland like never before
