Edinburgh History of Scottish Literature: Enlightenment, Britain and Empire (1707-1918) Ian Brown, 2006-11-13 Between 1707 and 1918 Scotland underwent arguably the most dramatic upheavals in its political economic and social history The Union with England industrialisation and Scotland's subsequent defining contributions throughout the eighteenth and nineteenth centuries to the culture of Britain and Empire are reflected in the transformative energies of Scottish literature and literary institutions in the period New genres new concerns and whole new areas of interest opened under the creative scrutiny of sceptical minds This second volume of the History reveals the major contribution made by Scottish writers and Scottish writing to the shape of modernity in Britain Europe and the world

Edinburgh History of Scottish Literature: Modern Transformations: New Identities (from 1918) Ian Brown, 2006-11-13 In almost a century since the First World War ended Scotland has been transformed in many rich ways Its literature has been an essential part of that transformation The third volume of the History explores the vibrancy of modern Scottish literature in all its forms and languages Giving full credit to writing in Gaelic and by the Scottish diaspora it brings together the best contemporary critical insights from three continents It provides an accessible and refreshing picture of both the varieties of Scottish literatures and the kaleidoscopic versions of Scotland that mark literary developments since 1918

Edinburgh Companion to Contemporary Scottish Literature Berthold Schoene, 2007-04-11 The Edinburgh Companion to Contemporary Scottish Literature examines the ways in which the cultural and political role of Scottish writing has changed since the country's successful referendum on national self rule in 1997 In doing so it makes a convincing case for a distinctive post devolution Scottish criticism Introducing over forty original essays under four main headings Contexts Genres Authors and Topics the volume covers the entire spectrum of current interests and topical concerns in the field of Scottish studies and

heralds a new era in Scottish writing literary criticism and cultural theory It records and critically outlines prominent literary trends and developments the specific political circumstances and aesthetic agendas that propel them as well as literature s capacity for envisioning new and alternative futures Issues under discussion include class sexuality and gender nationhood and globalisation the New Europe and cosmopolitan citizenship postcoloniality **Scotland's Books** Robert

Crawford,2009-01-30 From Treasure Island to Trainspotting Scotland s rich literary tradition has influenced writing across centuries and cultures far beyond its borders Here for the first time is a single volume presenting the glories of fifteen centuries of Scottish literature In Scotland s Books the much loved poet Robert Crawford tells the story of Scottish imaginative writing and its relationship to the country s history Stretching from the medieval masterpieces of St Columba s Iona the earliest surviving Scottish work to the energetic world of twenty first century writing by authors such as Ali Smith and James Kelman this outstanding account traces the development of literature in Scotland and explores the cultural linguistic and literary heritage of the nation It includes extracts from the writing discussed to give a flavor of the original work and its new research ranges from specially made translations of ancient poems to previously unpublished material from the Scottish Enlightenment and interviews with living writers Informative and readable this is the definitive single volume guide to the marvelous legacy of Scottish literature **Scottish Murder Stories** Molly Whittington-Egan,1999 **Satan**

and the Scots Michelle D. Brock,2016-05-26 Frequent discussions of Satan from the pulpit in the courtroom in print in self writings and on the streets rendered the Devil an immediate and assumed presence in early modern Scotland For some especially those engaged in political struggle this produced a unifying effect by providing a proximate enemy for communities to rally around For others the Reformed Protestant emphasis on the relationship between sin and Satan caused them to suspect much to their horror that their own depraved hearts placed them in league with the Devil Exploring what it meant to live in a world in which Satan s presence was believed to be and indeed perceived to be ubiquitous this book recreates the role of the Devil in the mental worlds of the Scottish people from the Reformation through the early eighteenth century In so doing it is both the first history of the Devil in Scotland and a case study of the profound ways that beliefs about evil can change lives and shape whole societies Building upon recent scholarship on demonology and witchcraft this study contributes to and advances this body of literature in three important ways First it moves beyond establishing what people believed about the Devil to explore what these beliefs actually did how they shaped the piety politics lived experiences and identities of Scots from across the social spectrum Second while many previous studies of the Devil remain confined to national borders this project situates Scottish demonic belief within the confluence of British Atlantic and European religious thought Third this book engages with long running debates about Protestantism and the disenchantment of the world suggesting that Reformed theology through its dogged emphasis on human depravity eroded any rigid divide between the supernatural evil of Satan and the natural wickedness of men and women This erosion was borne out not only in pages of

treatises and sermons but in the lives of Scots of all sorts Ultimately this study suggests that post Reformation beliefs about the Devil profoundly influenced the experiences and identities of the Scottish people through the creation of a shared cultural conversation about evil and human nature

Scottish Literature in English and Scots Douglas Gifford, Sarah Dunnigan, Alan MacGillivray, Beth Dickson, 2002 This substantial new volume is a stimulating yet in depth introduction to Scottish literature in English and Scots From medieval to modern the entire range of literature is introduced examined and explored Aimed primarily at those with an interest in Scottish literature this guide also responds to the need for students and teachers to have detailed discussions of individual authors and texts The volume looks at Scottish literature in six period sections Early Scottish Literature Eighteenth Century The Age of Scott Victorian and Edwardian The Twentieth Century Scottish Literary Renaissance and Scottish Literature since 1945 Each section begins with an overview of the period followed by several chapters examining exemplary authors and texts Each section finishes with an extensive discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing Extensive reading lists identify primary texts of the period as well as details of a wide range of additional authors Opening up neglected areas of study as well as responding to the burgeoning interest in novelists modern poets and dramatists this book serves as an invaluable guide to Scottish Literature

Classic Scottish Murder Stories Molly Whittington-Egan, 2007 Tales macabre and tales bizarre all of them with murder in mind This is the compendium volume of Molly Whittington-Egan's evocative and highly readable series of murder cases

Scottish Literary Journal, 1984 **Fiction, Crime, and the Feminine** Rédouane Abouddahab, 2011-01-18 The form of art called fiction has always been the privileged framework providing the perfect alibi for facing framing and containing the Other's desire and the strange libido attached to violence in other words there is an ambivalent dimension inherent in the scenarios and fantasies we enjoy by proxy Are not the fairy tales of our childhood full of images of death and violence whose fascinating presence is paradoxically meant to make us feel all the more safely tucked up in bed After all the wolf or the Little Red Riding Hood the monstrous killer or the unfortunate victim are but fictitious characters mere shifting positions they are not me therefore thanks to the willing suspension of disbelief process any reading I may shift into their speech or thoughts on the fictional screen a stage both for projection of and protection from such

forbidden enjoyments Crime fiction has also for a long time been the genre for such containment Ever since Victorian craniology criminal violence has remained as resistant as ever to scientific measurement even to the more recent techniques of investigation of the brain Where women are concerned they were first and mostly fascinating victims but they also nowadays feature in the role of the criminals adding to the first fascination the mystery of a woman's desire beyond the pale of societal expectations Indeed more and more pieces of crime fiction nowadays refuse to grant the simple pleasures of old what if for example the text refuses to comply to the whodunnit convention What about those stories that instead of closure will diffuse a mist a sense of unrest by their emphasis on the inexplicable lure of violence In other words gone are the days of the satisfaction granted by traditional closure and return to a solidly structured society made safe again by the disposal of the scene of violence But writing as such is also to be taken into consideration and what forcefully determines the writing is not only the historical trauma whose active presence in the fiction cannot be denied but especially some unresolved traumatic event or exclusion that makes one write and through the writing quest bliss but that also makes one renounce the attachment to the inevitably lost bliss

Scots Magazine, and Edinburgh Literary Miscellany, 1808 **Scotland and China**, 2025-02-20 This volume written by young and established scholars surveys the role of China in Scottish literature and the translation and reception of Scottish literature in China Part 1 considers how the image of China has been constructed by Scottish writers Topics include the translation of classical and contemporary Chinese literature into both Scots and English and orientalist tropes in Scottish fiction Part 2 discusses how Chinese translators over a turbulent century have rendered into Chinese the work of writers from Robert Burns to David Greig It also shows how commercial success in today's China can shape a writer's career

The World-Literary System and the Atlantic Sorcha Gunne, Neil Lazarus, 2020-12-30 The World Literary System and the Atlantic grapples with key questions about how American studies and the Atlantic region in general engages with new considerations of literary comparativism international literary space and the world literary system The edited collection furthers these discussions by placing them into a relationship with the theory of combined and uneven development a theory that has a long pedigree in Marxist sociology and political economy and that continues to stimulate debate across the social sciences but whose implications for culture have received less attention Drawing on the comparative modes concepts and methods being developed in the new world literary studies the essays cover a diverse range of topics

such as the periodization of world literature racism and the world system singular modernity critical irrationalism commodity frontiers semi peripherality and world ecology The chapters in this book were originally published in the journal *Atlantic Studies*

The Crossroads of Crime Writing Meghan P. Nolan, Rebecca Martin, 2024-03-05 This volume argues that we must examine the boundaries in fiction and non fiction crime writing with an awareness of and turn toward the unseen structures and spatial uncertainties that so often lead to and reflect collective fears and anxieties Drawing upon the insights and expertise of an international array of scholars the chapters within explore the interplay of the literary historical social and cultural in various modes of crime writing from the 1890s to as recent as 2017 They examine unseen structures and uncertain spaces and simultaneously provide new insights into the works of iconic authors such as Christie and iconic fictional figures like Holmes as well as underexplored subjects including Ukrainian detective fiction of the Soviet period and crime writing by a Bengali police detective at the turn of the twentieth century The breadth of coverage of both time and place is an indicator of a text in which seasoned readers advanced students and academics will find new perspectives on crime writing employing theories of cultural memory and deep mapping

Dreaming in Books Andrew Piper, 2011-08-22 At the turn of the nineteenth century publishing houses in London New York Paris Stuttgart and Berlin produced books in ever greater numbers But it was not just the advent of mass printing that created the era's bookish culture According to Andrew Piper romantic writing and romantic writers played a crucial role in adjusting readers to this increasingly international and overflowing literary environment Learning how to use and to want books occurred through more than the technological commercial or legal conditions that made the growing proliferation of books possible the making of such bibliographic fantasies was importantly a product of the symbolic operations contained within books as well Examining novels critical editions gift books translations and illustrated books as well as the communities who made them *Dreaming in Books* tells a wide ranging story of the book's identity at the turn of the nineteenth century In so doing it shows how many of the most pressing modern communicative concerns are not unique to the digital age but emerged with a particular sense of urgency during the bookish upheavals of the romantic era In revisiting the book's rise through the prism of romantic literature Piper aims to revise our assumptions about romanticism the medium of the printed book and ultimately the future of the book in our so called digital age

The Barlinnie Special Unit Dr Kirstin Anderson, 2024-10-01 Fifty years ago a small unit in HM Prison Barlinnie Glasgow became a radical experiment whose approach polarised opinion It encouraged shared decision making between prisoners and staff allowed greater access to families and enabled prisoners to explore creative activities Through the support of visiting artists and the voices of the prisoners themselves notably the sculptor Jimmy Boyle author of *A Sense of Freedom* its impact challenged prevailing disciplinarian prison culture Arts of various kinds plus respectful and challenging dialogue released dormant abilities and strengths in hitherto recalcitrant formerly violent prisoners Always controversial the legacy of

the Barlinnie Special Unit challenges overly punitive ideas around crime to this day The first edited collection on the Barlinnie Special Unit s almost 22 year history with contributions by those who were there at the time or helped preserve its legacy They include artist filmmaker Bill Beech Scotland s first art therapist Joyce Laing leading Scottish impresario Richard Demarco Sara Trevelyan ex wife of Jimmy Boyle who also contributes Rupert Wolfe Murray son of Boyle s publisher Professor Mike Nellis of Strathclyde University Claire Coia a curator at Glasgow s Open Museum Andrew Coyle founding Director of the International Centre for Prison Studies and journalist and former Scottish MP Brian Wilson Based on first hand accounts the book is a definitive retrospective and the first detailed history analysis of the unit A supreme record of an iconic social experiment which includes diverse and largely unpublished materials Review Looking again at the BSU is a reminder that we have to reform the prison system It means treating people in a humane way even those who have committed serious crime and by inventing creative projects which restore a person s self worth as a better route to redemption than mere punishment Baroness Helena Kennedy KC from the Foreword
