Bina Anakana Schofield,2021-02-02 A provocative feminist novel about a woman who persists despite the violence injustice and oppression that fill her world Treats problems of social care slantwise with a caustic charm liable to leave you blindsided by its most painful turns Powerful funny and highly manipulative Guardian Bina is a woman who s had enough and isn t afraid to say so I m here to warn you not reassure you she announces at the book s outset In a series of taut urgent missives she attempts to set the record of her life straight and in doing so to be useful to others Yet being useful is what landed her in jail Empathy is her Achilles heel Her troubles seem to stem from an injured stranger named Eddie and they

multiply when her charity extends from delivering meals to the elderly to working with the dying No good deed of hers goes unpunished and the costs of her capacity for care are legion as one by one she is denied her livelihood her health and her freedom Yet her voice continues resolutely an act of friendship in itself Bina is an unsettling thought provoking novel of formal inventiveness and moral and emotional complexity by a bold and talented writer Children's Television Programming : Hearings Before the Subcommittee on Telecommunications, Consumer Protection, and Finance of the Committee on Energy and Commerce, House of Representatives, Ninety-ninth Congress, First Session, on H.R. 3216 ... October 25, 1985--Dallas, TX; October 28, 1985--Houston, TX. United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Telecommunications, Consumer Protection, and Finance,1986 Global Auteurs Brian Michael Goss,2009 *Global Auteurs* employs auteur theory to examine the work of three contemporary and innovative directors Pedro Almod var Lars von Trier and Michael Winterbottom With extensive background information on the global film industry and on auteur theory and its implications for ideological critique this book s insightful case studies examine both ideologies the filmmakers re circulate and ideologies that they confront in textual form The discussion of Pedro Almod var devotes particular attention to mass mediation the family and gender in the corpus of his films while Lars von Trier s corpus is interpreted as driven by a motif that characterizes all of his films the failed idealist Michael Winterbottom s body of work presents a genre diverse post MTV style concerned with outsiders and taboo representation and truth and human rights *Global Auteurs* sophisticated approach to decoding film is suitable for graduate and undergraduate courses on film global mass media and contemporary Europe *Cowboy Christians* Marie W. Dallam,2018-01-15 *Cowboy Christians* examines the long history of cowboy Christianity in the American West with a focus on the present day cowboy church movement Based on five years of historical and sociological fieldwork in cowboy Christian communities this book draws on interviews with leaders of cowboy churches traveling rodeo ministries and chaplains who serve horse racing and bull riding communities along with the author s first hand experiences as a participant observer Marie W Dallam traces cowboy Christianity from the postbellum period into the twenty first century looking at religious life among cowboys on the range as well as its representation in popular imagery and the media She examines the structure theology and perpetuation of the modern cowboy church and speculates on future challenges the institution may face such as the relegation of women to subordinate participant roles at a time of increasing gender equality in the larger society She also explores the cowboy Christian proclivity for blending the secular and the sacred in leisure environments like arenas racetracks and rodeos Dallam locates the modern cowboy church as a descendant of the muscular Christianity movement the Jesus movement and new paradigm church methodology *Cowboy Christians* establishes the religious significance of the cowboy church movement particularly relative to twenty first century evangelical Protestantism and contributes to a deeper understanding of the unique Christianity of the American West
