Woman's Home Companion, 1928 [A Decade In A Year](#) Nek Lason, 2023-02-23 This concludes part 1 of A Decade in a Year It chronicles the first nine weeks of the pandemic from March 23 2020 to May 23 2020 This event will be looked back upon for the rest of history It is from a unique perspective mine a resident of a Victory Homes International Christian addiction recovery Men's Home For me life is like a long car ride Along the way while at the Home many people have got in and got out of my car A

few stayed in A very few This ride could be a psychologist's dream come true Personally as a man right now on this drive the temperature outside is cooling and it's nearing mid fall The days have gotten shorter and the leaves on the trees have changed their color My winter isn't here but I can feel it now More and more I can feel it In other words and from a young man's perspective I am close to being old Lord How funny and tragic it is that I romanticize my past forgetting all the negative and ugly things I have done Am I the only one that does that How I look back on my spring and summer with such fondness How fast those seasons came and went This car I'm in has taken a beating but the motor runs smooth Plenty of miles left in it It's not a used car it's a car with experience But something happened a little while ago on this ride I found a map It gave me a direction It showed me the way I smile now at my previous ignorance as I realize that I had always been driving nowhere It's both funny and sad It's been said that if you're going nowhere any road will get you there Now to have a map Well now that changes everything regardless of the season Which leads me to a question Where is the road you're on taking you Come Let me tell you about a part of my recent drive This event in world history called the pandemic This decade in a year we all lived through it apart and yet together Come Remember our common yesterday with me **Classic**
