Forthcoming Books Rose Arny, 2002-02 **Sunbonnets and Sweet Gum** Pearl Lowe Boyd, 2001-12-21 Note Although this book is listed as biography autobiography it is actually FOLKLORE from the Midland Region of the United States and can be considered as Americana and nostalgia Elizabeth Pearl Lowe Boyd 1904-1965 grew up on farms in Warren County Kentucky near Bowling Green Unlike many girls of that era she went on from the rural one room school to graduate from what is now Western Kentucky University a degree in English and Latin After a year of teaching in Shepherdsville Kentucky she moved to Cross City Florida where she taught another year and married Robert U Boyd a railroad agent By 1935 they had settled in Dunedin Florida where they raised their eight children From 1936 until her death she wrote a popular column in the local weekly paper The Dunedin Times titled From My Kitchen Window The topics she wrote about were many and varied and her focus was on the ordinary and commonplace Over two hundred of these articles were about her recollections of growing up in rural Kentucky and they were selected for this book Although Florida had become her home her heart remained in Kentucky It was there for that sweet land and for the hills and seasons that she felt deeply attached She never lost her yearnings for the hills for the agrarian life of Kentucky And it was of rural people life times and history that she wrote most eloquently Pearl Lowe Boyd the name she went by was energetic jolly determined and focused civic minded and above all a mother She spread her children out over twenty two years and she was fascinated by her little ones their beauty their trust their development and their emergence into big people Writing was the forum through which she best expressed herself the same as music is for a musician In her earliest writings and diaries she stated her desires to be a writer Her opinions were carefully thoughtful erudite and tactfully voiced The only time I remember that she got her dander up and went on an all out crusade was when she got wind that the town leaders were planning to have an enormous beautiful oak tree behind the Chamber of Commerce cut down They lost she won and the tree is standing today She loved to read and kept lists of books she devoured sometimes over a hundred in a years span Yet her own mother was opposed to education beyond the eighth grade for a farm girl and was very much disapproving of her reading novels even the writings by Dickens It was her father who encouraged her education and her love of books and writing She was the kind of person who looked for the good in things in people in nature and in life Although she had periods of worry and depression she never let them slow her down The reasoning behind her positive outlook which she described to me during one of my down times was pragmatic and positive why choose to dwell on the hurtful and the bad when one can live much more effectively by dwelling on the beautiful the exciting and the good of life

She grew up during Womens Suffrage As an early feminist she insisted on fairness in all things for women as for men yet in her own life she was comfortable with first being a had working housewife and mother and being a civic leader and writer second Among her homespun articles she also wrote blistering articles against the treatment of Jews and others during World War II and against bigotry during the early days of desegregation The n word was certainly not permitted in her home I remember her as a wise person On one occasion when two of her children were arguing over splitting up a remaining chunk of cake she utilized the King Solomon ploy by allowing one to make the slice and the other to take the first piece Of course the two pieces were precisely identical Music was a part of our lives with *One Night in Vegas* Margaret Joan Neale,2022-11-03 This book is about a new adventureaEURlooking for a church and meeting new people a minister and his wife and so began my introduction to the Holy Spirit But trouble is in paradise The Holy Spirit warned of trouble to comeaEURthe Mafia is in the church The minister is accused of wrong which ultimately leads to his downfall The church is sold and people leave with broken spirits A false prophet takes over and SatanaEUR tm s people worships him The evil one is a liar and a thief and humiliates people picking on their weaknesses The Holy Spirit keeps telling me aEURoeAsk me questions aEUR The preacher is drugged by the ex con and framed at deer hunting camp in Pennsylvania forced to launder drug money through the church bank account owned by the Catholic Church He goes to Las Vegas and is drugged in a restaurant dragged into the casino and gambled the church away This is his last Sunday at church and shamed by his preacher friends and wives He is then held hostage at a weed farm forced to grow weed sweet Mary Jane for three years Eventually he is arrested by Pennsylvania State Police trialed and imprisoned This is a revelation of the hierarchy of Catholic Church All roads lead to RomeaEURthe pope
