Yowliday Inn Susan C. Daffron,2019-11-01 Since the accident that killed her fianc Erin Quinn s life has been on hold Locked in grief she s in no mood to embrace holiday cheer but she runs out of excuses to avoid her family when her parents send her a plane ticket so she can spend the holidays with them in Alpine Grove Erin hasn t been back to her hometown in more than two decades And she never tells anyone that until she was twelve she lived in a hippie commune with no electricity or indoor plumbing The years at the Dancing Cedars commune was a drama filled part of her past she s worked hard to forget When her childhood friend Dylan Bryant picks Erin up at the airport the past starts to catch up with her Since the commune disbanded he s been

working at his family's Christmas tree farm a place chock full of elves twinkle lights questionable baked goods and family crises Sure he might be three feet taller than the last time she saw him but Dylan's offbeat personality hasn't changed Neither has his ability to see through her defenses At an eccentric Thanksgiving gathering everyone discovers the old Hodgepodge Lodge at Dancing Cedars is filthy and overrun with feral cats and maybe a skunk Against her better judgment Erin agrees to help Dylan clean up and repair the abandoned log structure which has more holes than a cheese grater In between bizarre dreams filled with oversized Santa possums and jingle bears Erin reconnects with Dylan and finds herself increasingly drawn to the timeless serenity and beauty of the Dancing Cedars property But when a developer makes a play for the land they might need a miracle to save it

The Imperial Church Katherine D. Moran, 2020-05-15 Through a fascinating discussion of religion's role in the rhetoric of American civilizing empire The Imperial Church undertakes an exploration of how Catholic mission histories served as a useful reference for Americans narrating US settler colonialism on the North American continent and seeking to extend military political and cultural power around the world Katherine D Moran traces historical celebrations of Catholic missionary histories in the upper Midwest Southern California and the US colonial Philippines to demonstrate the improbable centrality of the Catholic missions to ostensibly Protestant imperial endeavors Moran shows that as the United States built its continental and global dominion and an empire of production and commerce in the Gilded Age and Progressive Era Protestant and Catholic Americans began to celebrate Catholic imperial pasts She demonstrates that American Protestants joined their Catholic compatriots in speaking with admiration about historical Catholic missionaries the Jesuit Jacques Marquette in the Midwest the Franciscan Junipero Serra in Southern California and the Spanish friars in the Philippines Comparing them favorably to the Puritans Pilgrims and the American Revolutionary generation commemorators drew these missionaries into a cross-confessional pantheon of US national and imperial founding fathers In the process they cast Catholic missionaries as gentle and effective agents of conquest uplift and economic growth arguing that they could serve as both origins and models for an American civilizing empire The Imperial Church connects Catholic history and the history of US empire by demonstrating that the religious dimensions of American imperial rhetoric have been as cross-confessional as the imperial nation itself
