

The background of the entire image is a composite. It shows a perspective view of a long, multi-arched bridge, possibly a railroad bridge, stretching into the distance. The bridge's steel structure is a yellowish-brown color. On the left side of the bridge, there is a large, vibrant, and somewhat abstract shape in shades of orange, red, and yellow, which resembles a butterfly or a flame. The surrounding landscape is green and hilly.

**Romance and the Yellow Peril** Gina Marchetti, 1994-02-15 Hollywood films about Asians and interracial sexuality are the focus of Gina Marchetti's provocative new work. While miscegenation might seem an unlikely theme for Hollywood, Marchetti shows how fantasy dramas of interracial rape, lynching, tragic love, and model marriage are powerfully evident in American cinema. The author begins with a discussion of D. W. Griffith's *Broken Blossoms*, then considers later films such as *Shanghai Express*, *Madame Butterfly*, and the recurring geisha movies. She also includes some fascinating forgotten films that have been overlooked by critics until now. Marchetti brings the theoretical perspective of recent writing on race, ethnicity, and gender to her analyses of film and television and argues persuasively that these media help to perpetuate social and racial inequality in America. Noting how social norms and taboos have been simultaneously set and broken by Hollywood filmmakers, she discusses the orientalist tensions underlying the construction of American cultural identity. Her book will be certain to interest readers in film, Asian women's, and cultural studies.

***The Coffin of James Genius*** Jeff Petrill, 2008-04-02 James Genius is a traveler hiding a secret. While trying to fit into a community that thrives off death, James begins building a new life that quickly turns into a personal hell in futuristic America. A new Civil War brews in America while James simultaneously fights his own internal demons and hallucinations as he attempts to locate the survivors of his hidden family. While the government promises to protect and separate citizens from one another, obsessive political control and suspicious behavior begins to confuse and upset the public. As a result, survival groups start preparing for the collapse of the government while a news organization, The Zoo Trials, tries to explain and solve the country's seemingly inevitable demise. James holds the key to a major change, but in a futile attempt to protect himself, he pretends he doesn't recall his past. Meanwhile, others encourage James to reveal his true self, but he waits for the right moment to fuel his transformation. Only time will tell if James finds the real life he's been desperately seeking and if the citizens of this revolutionary community will pull together and plant the seeds of positive change.

**Scream of the Butterfly** J. P. Bruce, 197? **Signs of Life** Natalie Taylor, 2011-04-12 I know I know. No one says it, but I know from *Signs of Life*. Twenty-four-year-old Natalie Taylor was leading a charmed life. At the age of twenty-four, she had a fulfilling job as a high school English teacher, a wonderful husband, a new house, and a baby on the way. Then, while visiting her sister, she gets the news that Josh has died in a freak accident. Four months before the birth of her son, Natalie is leveled by loss. What follows is an incredibly powerful emotional journey as Natalie calls upon resources she didn't even know she had in order to re-imagine and re-build a life for her and her son. In vivid and immediate detail, Natalie documents her life from the day of Josh's death through the birth of their son Kai as she struggles in her role as a new mother where everyone is watching her for signs of impending collapse. With honesty, raw pain, and most surprisingly, a wicked sense of humor, Natalie

recounts the agonies and unexpected joys of her new life There is the frustration of holidays navigating the relationship with her in laws the comfort she finds and unlikely friendship she forges in support groups and the utterly breathtaking but often overwhelming new motherhood When she returns to the classroom she finds that little is more healing than the honesty and egocentricity of teenagers Drawing on lessons from beloved books like *The Color Purple* and *The Catcher in the Rye* and the talk shows she suddenly can't get enough of from the strength of her family and friends and from a rich fantasy life including a saucy fairy godmother who guides her grieving Natalie embarks on the ultimate journey of self discovery and realizes you can sometimes find the best in yourself during the worst life has to offer And she delivers these lessons in way that feels like she's right beside you in her bathrobe and with a glass of wine the cool funny girlfriend you love to stay up all night with Unforgettable and utterly absorbing *Signs of Life* features a powerful wholly original debut voice that will have you crying and laughing to the very last page
