Producing and Directing the Short Film and Video Peter W. Rea, David K. Irving, 2010

Producing and Directing the Short Film and Video Fourth Edition is the definitive book on the subject for beginning filmmakers and students. It clearly illustrates all of the steps involved in preproduction, production, postproduction, and distribution and uses a unique two-fold approach to break down filmmaking from the perspectives of both the producer and director. Extensive examples from award-winning shorts show you how to create a successful short film or video from script to final product. Plus, learn from real-world advice and examples from the filmmakers themselves.
