### **The Book of Womanhood Amy F Davis**

Abdallah,2016-06-30 There are many questions that surround Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we re no longer girls And when we ve figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don t usually get a rite of passage in which they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is no need to go through her rite of passage however to name yourself a woman The Book of Womanhood creates a path

through the confusion that surrounds the identity of women by its flexible framework developing the reader's understanding of a woman's relationship with God, their self, others, and creation.
