**Scriptural Allusions and Exegesis in the Hodayot** Julie Hughes, 2018-11-01 It has long been noted that the Thanksgiving Hymns Hodayot from Qumran make extensive use of biblical language A premise of this study of their use of scripture is that these compositions can best be understood by reading them as poetry Using insights from the fields of comparative literature and biblical studies it establishes a method for analysis of the poems and for identification and analysis of scriptural allusions Five poems have been chosen for detailed study The question is asked how would a reader familiar with the scriptural traditions of the period interpret these poems and why The first chapter gives a useful overview of the scholarship to date and indicates the new avenues explored by this study Scriptural Allusions in the New Testament Dale C. Allison, 2019-01-10 Dale C Allison Jr is the Richard J Dearborn Professor of New Testament Princeton Theological Seminary Previously he was Errett M Grable Professor of New Testament and Early Christianity Before then he served on the faculties of Texas Christian University Fort Worth Texas and Friends University Wichita Kansas His areas of expertise include Second Temple Judaism and he is the author of books on early Christian eschatology the Gospel of Matthew the so called Sayings Source or Q and the historical Jesus He has also written The Luminous Dusk a book on religious experience in the modern world and a full length commentary on the Testament of Abraham His most recently published works are The Love There That s Sleeping The Art and Spirituality of George Harrison The Historical Christ and the Theological Jesus and Constructing Jesus Memory History and Imagination He has recently completed a full length commentary on the Epistle of James to be published in 2013 and is currently working on a commentary on 4 Baruch Paraleipomena Jeremiou as well as on a book of reflections on death He is married to Kristine Allison and they have three children The Use of Scripture in the Markan Passion Narrative Kelli S. O'Brien, 2010-05-27 The Library of New Testament Studies LNTS is a premier book series that offers cutting edge work for a readership of scholars teachers in the field of New Testament studies postgraduate students and advanced undergraduates All the many and diverse aspects of New Testament study are represented and promoted including innovative work from historical perspectives studies using social scientific and literary theory and developing theological cultural and contextual approaches Kelli S O'Brien examines the use of scripture in the Markan passion narrative O'Brien begins by laying firm methodological foundations providing an incisive definition of the term allusion and the criteria by which the presence of allusions may be established She then tests the plethora of allusions that previous scholars have discerned within Mark 14-15 arguing that only sixteen references have sufficient support to be considered as allusions out of approximately 270 references suggested O'Brien then moves to assess the interpretive impact of the most likely allusions on the Markan passion narrative Some allusions make bold statements with regard to Christology including Jesus ultimate vindication and exaltation Many however have little Christological content and function as literary devices to interpret the narrative Allusions illuminate the significance of events from the flight of the disciples to the offer of

vinegary wine The presence of allusions provides a window to the evangelist's understanding of Jesus' death in eschatological and redemptive terms As such this study is of immense importance in furthering comprehension of the Second Gospel's interpretation of the passion

**Biblical Echo and Allusion in the Poetry of W.B. Yeats** Dwight Hilliard Purdy, 1994 This book treats the poetics of biblical allusion in the lyric poetry of William Butler Yeats and the ways in which the King James Bible became for Yeats a model for poetry as a communal voice shaping a culture The introduction analyzes the critical history of what Eleanor Cook has termed the poetics of allusion emphasizing the work of the Italian rhetorician Gian Biagio Conte and the American critic and poet John Hollander The major topics considered here are allusions as the intersections of texts as figures of speech and as structural signifiers the centrality of the reader in the study of allusion the quality of allusions their placement and varying degrees of clarity and the centrality of the study of allusion to cultural criticism The first chapter is concerned with the development of the Bible as a model for secular poetry from the late eighteenth century to Yeats surveying Bishop Lowth Blake Coleridge Wordsworth Shelley and Matthew Arnold as well as Yeats's references in his prose works to the Bible as a model for art and the artist and his desire to restore the Bible as sacred text yet write his own Bible Chapters 2 through 5 take up in detail the poetics of biblical allusion and echo in the poems Chapter 2 treats the poetry of the nineties here Yeats usually engages the Bible as an antagonist subverting it for the sake of a Celtic consciousness denying its exclusive claim to spiritual truth But many biblical echoes show Yeats's dependence upon the Bible as a guide to poetic language Chapter 3 concerns the poetry from *In the Seven Worlds* to *The Wild Swans at Coole* Yeats looks on Scripture with an ironic eye often replacing it with what he calls haughtier texts the parables prayers visions and private revelations that mirror biblical models and make biblical texts into warrants for his own theory of rebirth Chapter 4 is a close reading of biblical intertextuality in seven poems *The Second Coming* *Sailing to Byzantium* *Meditations in Time of Civil War* *Nineteen Hundred and Nineteen* *Prayer for My Son* *Dialogue of Self and Soul* and *Vacillation* In these major poems Yeats displays his antitheticality as Hazard Adams calls it putting into dramatic tension biblical texts and his own heterodox ideas about birth death and resurrection Chapter 5 examines the poetry after *Vacillation* where Yeats gives biblical texts often text used before a new sensual gloss but also admits the limits of a high talk derived from scriptural language Chapter 6 places Yeats in the broad context of biblical intertextuality working backward from modernism to Romanticism First the study contrasts Yeats with two of his contemporaries D H Lawrence and T S Eliot for whom the Bible always asserts its religious authority in the Victorian tradition of Arnold Clough Browning and Tennyson The study concludes by comparing Yeats to Wordsworth and Shelley Although Yeats is deeply indebted to them his attitude is distinct from theirs even when rejecting the Bible Wordsworth and Shelley accept a dogmatic view of it while Yeats escapes dogmatism

**A Scriptural Theology of Eucharistic Blessings** Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters

Mutual Boasting in Philippians Isaac D. Blois, 2020-07-23 Isaac Blois argues that Paul's focus in Philippians on the mutual boasting shared between himself and his converts draws on the mutual boasting shared between Israel and her covenant God as apparent in both Deuteronomy and Isaiah Using the appearance of this central theme in the pivotal passages of Phil 1 25 26 and 2 14 16 as his focus Blois stresses the integral relation between mutual boasting and the role that it plays in Paul's exhortations to the Philippian believers exploring its backdrop in both the biblical tradition and the cultures surrounding them Blois demonstrates how the mutual boasting that Paul shares with his beloved community is culturally appropriate the sharing of honor among friends and family was common in antiquity as seen through the epistolary writing of prominent Roman authors such as Cicero Seneca and Fronto In light of the Scriptural and cultural basis for this motif of shared boasting Blois argues that the apostle is able to deploy the motif in order to motivate an appropriate response from his audience in the letter Focusing on the prominence of mutual honor and its use for motivation in Philippians 1 and 2 Blois offers a fresh perspective on the

exhortative function of the eschatological boasting that is to exist between Paul and his congregation on the day of Christ

Michael Fox, 2014-05-12 Inner biblical studies is a blossoming field Within this growing specialization *Reverberations of the Exodus in Scripture* is a unique and refreshing contribution Unlike most studies in this area focusing either solely on how Old Testament passages interact with other Old Testament texts or on the use of the Old Testament in the New Testament this volume examines how a central and paradigmatic biblical event the exodus from Egypt resurfaces time and again in both testaments Furthermore the collaborative nature of this project has allowed specialists to construct each chapter Readers of *Reverberations of the Exodus in Scripture* will gain a better understanding of the role of the exodus throughout the biblical canon and a deeper appreciation for its place in biblical theology **A Teacher for All Generations (2 vols.)** Eric F. multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell's Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture

**A Pledge of the Truth** Taylor Evan Walls, 2024-04-12 Persecution false accusations and philosophical criticisms were all a common part of the life of the church in the second century Many Christian writers took up the mighty pen to defend the Christian faith

Though often overlooked Theophilus of Antioch was one of these apologetic writers who boldly identified himself as a Christian and a believer in God's word In his only remaining work Ad Autolycum Theophilus shows the irrationality of the pagan worldview and defends the Christian faith with a firm commitment to the authority of Scripture The Scriptures are foundational to his defense of the Christian faith He presents the Scriptures both from the Old and New Testaments as a faithful guide and guarantee of truth on the nature of God the world and ethics The Scriptures were efficacious in his own conversion to Christianity and so he uses those same divine words in order to call his pagan friend from idolatry to the truth of the one God In this book Taylor Evan Walls offers a systematic presentation of Theophilus' understanding of the nature of Scripture and shows how this doctrine provided the foundation and structure for his defense of Christianity
