

Now may the God who gives  
endurance and encouragement  
allow you to live in harmony  
with one another, according to  
the command of Christ Jesus, so  
that you may glorify the God  
and Father of our Lord Jesus  
Christ with a united mind and  
voice.  
Romans 15:5

I pray this that your love will keep on growing  
in knowledge and every kind of discernment, so  
that you can approve the things that are  
superior and can be pure and blameless in the  
day of Christ, filled with the fruit of  
righteousness that comes through Jesus Christ to  
the glory and praise of God.  
Philippians 2:7-11

I pray that the perception of your  
mind may be enlightened so you may  
know what is the hope of this calling,  
what are the glorious riches of this  
inheritance among the saints, and  
what is the immeasurable greatness of  
the power to us who believe, according  
to the working of the vast strength,  
Ephesians 1:16-19

May our Lord Jesus Christ Himself  
and God our Father, who has loved us  
and given us eternal encouragement and  
good hope by grace, encourage your hearts  
and strengthen you in every good work  
and word.

2 Thessalonians 2:16-17

I pray that He may grant you  
according to the riches of His glory,  
to be strengthened with power in the  
inner man through His Spirit, and  
that the Messiah may dwell in  
your hearts through faith.  
Ephesians 3:16-17b

Now may the God of peace, who  
brought up from the dead our Lord  
Jesus - the great Shepherd of the  
sheep - with the blood of the  
everlasting covenant, equip you with  
all that is good to do, He will, working  
in us what is pleasing in His sight,  
through Jesus Christ, Glory belongs to  
Him forever and ever.  
Amen.

Hebrews 13:20-21

I pray that you, being rooted and  
firmly established in love, may be  
able to comprehend with all the saints  
what is the length and breadth, height  
and depth of God's love, and to know  
the Messiah's love that surpasses  
knowledge, so you may be filled with  
all the fullness of God.

Ephesians 3:17-19

We are asking that you may be filled with the  
knowledge of His will in all wisdom and spiritual  
understanding, so that you may walk worthy of  
the Lord, fully pleasing to Him, bearing fruit in  
every good work and growing in the knowledge of  
God, that you be strengthened with all power  
according to His glorious might, for all endurance  
and patience, with joy giving thanks to the Father  
who has enabled you to share in the saints'  
inheritance in the light.

## **Scripture Journal Antique Pattern:**

Scripture Journal Inspirio, Zondervan Publishing Staff, 2004-10 Hardcover journal features plenty of room to record personal thought and reflections and is complemented by short encouraging Scripture from the NIV Bible      **Patterns of Destiny** Diane M. Sharon, 2002-06-30 Diane Sharon uses the tools of structuralist literary criticism to uncover social and theological patterns in biblical literature She provides a brief framework for understanding the approach used in her study then demonstrates that the notion of destiny specifically the ideas of establishment foundation and condemnation doom are embedded in narrative that includes an eating and drinking event      **Hebrew Verse Structure** Michael Patrick O'Connor, 1980 In this extensive and eclectic reconsideration of classical Hebrew poetics O'Connor evaluates the assumptions that have guided scholars for more than two hundred years The result is a great leap forward in the analysis and interpretation of early Hebrew poetry David Noel Freedman      **Iconographic Exegesis of the Hebrew Bible / Old Testament** Izaak Joziás de Hulster, Brent A. Strawn, Ryan P. Bonfiglio, 2015-10-28 Iconographic exegesis combines the study of biblical texts exegesis with the study of ancient expressions of visual art iconography Studying ancient visual art that is contemporary with the documents of the Old Testament gives remarkable insight not only on the meaning and historical context of the biblical text but also because it facilitates greater understanding of how the ancient authors and audiences saw thought and made sense of the world Iconography thus merits close attention as another avenue that can lead to a more nuanced and more complete understanding of the biblical text Each chapter of this book provides an exegesis of a particular biblical text or theme The book is organized around the tripartite structure of the Hebrew Bible and demonstrates that iconographical exegesis is pertinent to every nook and cranny of the Bible Within the three parts there is special emphasis on Genesis Isaiah and the Psalms in order to make the book attractive for classes that deal with one or more of these books and might therefore include an iconographic perspective In addition to connecting with a major issue in biblical interpretation theology or visual studies each chapter will end with one or two exercises directing the reader student to comparable texts and images enabling them to apply what was described in the chapter for themselves This approach enables beginners as well as advanced readers to integrate iconography into their toolbox of exegetical skills      **Legendary Patterns in Late Antique Biography: The Parallel Lives of Ardashir I and Constantine the Great** Matthew O'Farrell, 2022-10-31 A Memorial in the World offers a new appraisal of the reception and role of Constantine the Great and Ardashir I the founder of the Sasanian Empire c 224 651 in their respective cultural spheres Concentrating on marked parallels in the legendary material attached to both men it argues that the memories of both were reshaped by processes referencing the same deep literary heritage What is more as founders of imperial systems that identified with a particular religious community the literature that developed around these late antique figures applied these ancient tropes in a startlingly parallel direction This parallel offers a new angle on the K r n mag tradition an originally Middle Persian biographical tradition of Ardashir I      *The*

*Priestly Blessing in Inscription and Scripture* Jeremy Daniel Smoak, 2016 Jeremy Smoak presents a synthesis of recent discoveries bearing upon the early history and function of the biblical priestly blessing of Numbers 6:24-26. The book gives special focus to the importance of the discovery of the blessing on two silver amulets from Jerusalem dating to the late Iron Age and several other Iron Age inscriptions containing parallels to the blessing. The analysis of the inscriptions provides a new way to approach the meaning and significance of the instructions for the blessing in the biblical book of Numbers.

**Ancient Near Eastern Literature and the Hebrew Scriptures about the Fatherhood of God** David Tasker, 2004. *Ancient Near Eastern Literature and the Hebrew Scriptures About the Fatherhood of God* discusses some of the main father-god concepts of the people of the Ancient Near East then examines the eighteen occurrences of God's fatherhood specifically mentioned in Hebrew Scripture. From these sources the book develops a theology of God's fatherhood that honors both ancient and modern scrutiny. Although many studies have explored the subject of the fatherhood of God mostly from the perspective of nonbiblical disciplines and through the lens of Greco-Roman mythology, this book takes into account the wealth of material from the ancient Near East, the birthplace of the Hebrew Scriptures. **Journal of the Royal Society of Arts**, 1883.

**Exodus** Victor P. Hamilton, 2011-12. A highly regarded Old Testament scholar provides a comprehensive evangelical exegesis of the book of Exodus. **Journal of the Society of Arts, and of the Institutions in Union, and Official Record of Annual International Exhibitions** Royal Society of Arts (Great Britain), 1883.

**Confronting the Past** Seymour Gitin, J. Edward Wright, J. P. Dessel, 2006. William G. Dever is recognized as the doyen of North American archaeologist-historians who work in the field of the ancient Levant. He is best known as the director of excavations at the site of Gezer but has worked at numerous other sites and his many students have led dozens of other expeditions. He has been editor of the *Bulletin of the American Schools of Oriental Research* for many years, professor in the influential archaeology program at the University of Arizona, and now in retirement continues actively to write and publish. In this volume 46 of his colleagues and students contribute essays in his honor reflecting the broad scope of his interests, particularly in terms of the historical implications of archaeology. *Studies in Bible and Feminist Criticism (JPS Scholar of Distinction Series)* Tikva Frymer-Kensky, 2010-01-01. Each of the 30 essays here delves into a topic that gives us much food for thought: the Bible as interpreted through ancient Near Eastern creation myths, flood myths, and goddess myths; gender in the Bible; the feminist approach to Jewish law; comparative Jewish and Christian perspectives on the Hebrew Bible; biblical perspectives on ecology; creating a theology of healing; feminine God talk. The volume concludes with the author's own original prayers in the form of poetic meditations on pregnancy and birthing. This book is unique not only because it is the only volume in the JPS Scholar of Distinction series written by a woman but also because Frymer-Kensky's personal and forthright voice resonates so clearly throughout each piece. Scholars and students of Bible, Jewish studies, and women's studies will surely find this to be a one-of-a-kind collection. *Chamber's Journal of Popular Literature, Science and Arts*

,1891 **Chambers's Journal of Popular Literature, Science and Arts** ,1891 Controlling Corporeality Jon L. Berquist,2002 In this beautifully written book Jon L Berquist guides the reader through the Hebrew Bible examining ancient Israel s ideas of the body the unstable roles of gender the deployment of sexuality and the cultural practices of the time Conducting his analysis with reference to contemporary theories of the body power and social control Berquist offers not only a description and clarification of ancient Israelite views of the body but also an analysis of how these views belong to the complex logic of ancient social meanings **Understanding Old Testament Ethics** John Barton,2003-01-01 Written by one of the world s most widely respected biblical scholars this volume sets out detailed recommendations for the future of the discipline *An Experiment in Bible Translation* Stuart Jeremy Foster,2008-09-01 This study sketches a complete arc from the impact at worldview level of covenant concepts in the Hebrew of the Old Testament to impact at worldview level among present day Lomwe speakers in northern Mozambique It uses the challenge of adequately translating one Biblical Hebrew word BERITH to address missiological issues relevant throughout Africa It proposes becoming the muloko wa Muluku people of God as a powerful integrating framework Patterns of Repetition, Structure, and Meaning in the Book of Hebrews Michael C. Clark,2024-04-01 While many have recognized unusual patterns of repetition within the book of Hebrews which seem to play a range of important functions within the text the consistency of this patterning has not been fully appreciated and its function has been largely unexamined This study investigates the location and function of what we have termed link clusters within Hebrews from the perspective of discourse analysis to gain fresh insight into the language structure and genre of Hebrews into the book s relationship to the Old Testament and into the book s authorship and meaning This work proposes first that Hebrews uses repetition to establish formal connections between words and phrases marked as significant by their location and context with respect to other similarly connected words and phrases second that link clusters serve to structure the book of Hebrews by uniting the text into a series of overlapping concentric and coherent units and third that link clusters also serve an important topical function clarifying and amplifying intended meaning as pairs of matching topic sentences that respectively introduce and conclude each section and subsection of the discourse by summarizing its content Patterns of Women's Leadership in Early Christianity Joan E. Taylor,Ilaria Ramelli,2021 This authoritative collection brings together the latest thinking on women s leadership in early Christianity Featuring contributors from key thinkers in the fields of Christian history it considers the evidence for ways in which women exercised leadership in churches from the 1st to the 9th centuries CE **Journal of Discourses** ,1881
