Short Stories Shorties:

Shorties Engelbert Thaler, 2016-08-15 Short narrative texts are good for the language classroom because they are short and narrative. Therefore, this volume treats the teaching potential of Shorties on a theoretical level (part A), a methodological level (part B), and a practical level (part C). Part A highlights the topic from the perspectives of different academic disciplines; in this case, from a TEFL as well as from a linguistic and literary viewpoint. In part B, methodological contributions on selected texts, media, and procedures are assembled. Part C is a collection of concrete sample lessons for teaching English at various levels. These lesson plans have been designed at university, carried out and evaluated by 11 experienced teachers, and finally revised by the editor.

Shorty Short (Short Stories) Chloe Bampton, 2018-03-05 Just some short stories by a girl who's a little bit crazy. Read, enjoy, share. I wish I could have gone back and changed everything before I became this crazy person. I wish I could have ran away from society because society changes people and people change people. People destroy the society and the society crumbles piece by piece. What is the point of having people and a society where no one works together and no one understands? Society has changed.

Stories for Shorties Daniel Fisher, 2005-03 This is the fifth annual collection of short works by students of Berkshire Middle School from the 2004-2005 school year. The stories are new and so are the authors. The focus, though, remains the same as in previous volumes. With genuine effort and attention to the writing process, young authors can produce works suitable for a wide audience. Over a ten-week period, each sixth-grade writer turned a basic premise into a fully formed story. The changes along the way sometimes surprised even the authors themselves. Stories for Shorties continues the proud tradition of author's craft demonstrated in its predecessors: *Short Stories by Short People*, *Who Says Adults Have to Write All the Good Stories?* and *Tall Tales Gone Short*.

Short Shorts Irving Howe, Ilana Wiener Howe, 1982 Short Shorts is a delightful anthology of miniature masterpieces. Here are thirty-eight brief brilliant flashes of fiction, both classic and contemporary. Each work is superb, intense, and speaks to the human condition in a profound, often provocative way. A truly outstanding collection by some of the world's greatest authors.

Short Stories and Other Stuff for Shorties Robert Young, 2014-04-29 Short Stories and Other Stuff for Shorties is a collection of short stories and prose for children under 12 years of age. It is also enjoyed by older people who are still young at heart and bring enjoyment to family and friends by reading to them.
