Short War Short Lives:

A Long Short Life Merle W. McMorrow, 2010-12 In *A Long Short Life* Merle W McMorrow documents a trail of events of his own and his family's experiences from his youth into adulthood. He was born during a time of uncertainty following World War I. Both his father and mother grew up in families that put very little value on education and therefore neither one finished high school. Their marriage resulted in family difficulties due to religious differences among other factors. Tragedy struck the family many times but the event that left a permanent mark on McMorrow and his family was the divorce of his parents. These problems were followed by the deaths of some of other family members as well as a diagnosis of diabetes for his father. This period of difficulties would ultimately extend through three major historical time periods: the Great Depression, World War II, and the Cold War. Despite the many problems his family endured, however, they enjoyed twenty years as a close knit family, all lovingly chronicled in *A Long Short Life*.

The War of 1812, A Short History Donald R. Hickey, 2012-11-13 This abridged edition of Donald R Hickey's comprehensive and authoritative *The War of 1812: A Forgotten Conflict* has been thoroughly revised for the 200th anniversary of the historic conflict. A myth shattering study that will inform and entertain students and general readers alike. *The War of 1812: A Short History* explores the military, diplomatic, and domestic history of our second war with Great Britain, bringing the study up to date with recent scholarship on all aspects of the war from the Gulf of Mexico to Canada. With new information on military operations, logistics, and the use and capabilities of weaponry. *The War of 1812: A Short History* explains how the war promoted American nationalism, reinforced the notion of manifest destiny, stimulated peacetime defense spending, and enhanced America's reputation abroad. Hickey also concludes that the war sparked bloody conflicts between pro-war Republican and anti-war Federalist neighbors, dealt a crippling blow to the independence and treaty rights of American Indians, and solidified the United States' antipathy toward the British. Ideal for students and history buffs, this special edition includes selected illustrations, maps, a chronology of major events during the war, and a list of suggested further reading.

The Trojan War: A Very Short Introduction Eric H. Cline, 2013-04-12 The *Iliad*, Homer's epic tale of the abduction of Helen and the decade-long Trojan War, has fascinated mankind for millennia. Even today the war inspires countless articles and books, extensive archaeological excavations, movies, television documentaries, even souvenirs and collectibles. But while the ancients themselves believed that the Trojan War took place, scholars of the modern era have sometimes derided it as a piece of fiction. Combining archaeological data and textual analysis of ancient documents, this *Very Short Introduction* considers whether or not the war actually took place and whether archaeologists have really discovered the site of ancient Troy. To answer these questions, archaeologist and ancient historian Eric H Cline examines various written sources, including the works of Homer, the *Epic Cycle* fragments from other now lost Greek epics, classical plays, and Virgil's *Aeneid*. Throughout, the author tests the literary claims against the best modern archaeological evidence, showing for instance that Homer, who lived in the Iron Age, for the most part depicted Bronze Age warfare with

accuracy Cline also tells the engaging story of the archaeologists Heinrich Schliemann and his successors Wilhelm Dörpfeld Carl Blegen and Manfred Korfmann who found the long vanished site of Troy through excavations at Hisarlik Turkey Drawing on evidence found at Hisarlik and elsewhere Cline concludes that a war or wars in the vicinity of Troy probably did take place during the Late Bronze Age forming the nucleus of a story that was handed down orally for centuries until put into final form by Homer But Cline suggests that even allowing that a Trojan War took place it probably was not fought because of Helen's abduction though such an incident may have provided the justification for a war actually fought for more compelling economic and political motives About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

Life is too short L.S. Manuel, 2021-05-17 Life is too short is a narrative of the different faces of life love and living

A Short History of the Spanish Civil War Julián Casanova, 2021-09-23 In this revised edition of A Short History of the Spanish Civil War Julián Casanova tells the gripping story of the Spanish Civil War Written in elegant and accessible prose the book charts the most significant events and battles alongside the main players in the tragedy Casanova provides answers to some of the pressing questions such as the roots and extent of anticlerical violence that have been asked in the 70 years that have passed since the painful defeat of the Second Republic Now with a revised introduction Casanova offers an overview of recent historiographical shifts not least the wielding of the conflict to political ends in certain strands of contemporary historiography towards an alarming neo-Francoist revisionism It is the ideal introduction to the Spanish Civil War

A Short Life of Abraham Lincoln. Condensed from Nicolay & Hay's Abraham Lincoln John G. Nicolay, 2023-08-12 In A Short Life of Abraham Lincoln John G Nicolay distills the monumental biography co-authored with John Hay into an approachable yet rich narrative that captures the essence of Lincoln's character and legacy The book traverses Lincoln's journey from his humble beginnings to his presidency during the Civil War employing a clear and eloquent literary style that reflects Nicolay's firsthand experiences as Lincoln's private secretary The condensation of this larger work preserves pivotal moments and themes making it a crucial text not only for understanding Lincoln's life but also for contextualizing the broader socio-political landscape of 19th century America John G Nicolay a journalist and historian closely associated with Lincoln provides a unique perspective shaped by his intimate relationship with the president This access lends authenticity to

Nicolay's portrayal infusing the narrative with personal anecdotes and insights that might have been overlooked by less connected biographers Nicolay's dedication to presenting an accurate and dignified account of Lincoln's life reflects not only their shared experiences but also Nicolay's commitment to preserving Lincoln's legacy for future generations For readers seeking a concise yet comprehensive understanding of one of America's most pivotal figures *A Short Life of Abraham Lincoln* is an invaluable resource Its engaging prose and insightful reflections make it suitable for both scholars and general readers alike illuminating the complexities of Lincoln's character and the tumultuous times in which he lived *E. W. HORNUNG Ultimate Collection - 19 Novels & 40+ Short Stories, Including War Poems and Memoirs* E. W. Hornung, 2024-01-13 The E W HORNUNG Ultimate Collection is a compendium that encapsulates the diverse literary landscape of E W Hornung featuring 19 novels and over 40 short stories alongside poignant war poems and compelling memoirs Hornung's writing is characterized by its vivid characterizations intricate plotting and a balanced blend of romance adventure and moral dilemmas This collection showcases his ability to navigate genres reflecting societal changes during the late Victorian and early Edwardian periods with themes of heroism loyalty and the human condition resonating throughout his works E W Hornung renowned for creating the iconic character A J Raffles the gentleman thief was deeply influenced by his personal experiences and sociocultural milieu Born in 1866 he was intimately familiar with the complexities of British society His varied career as a writer editor and sportsman particularly his experiences during the First World War inspired his exploration of themes related to valor and loss in this collection Hornung's dual identity as both a writer and a soldier adds a nuanced layer to his explorations of conflict and morality This ultimate collection is a significant treasure for both ardent fans of Hornung and new readers alike It invites readers to delve into the intricacies of human character through the lens of war adventure and romance Highly recommended for those interested in classic literature this compilation also serves as an essential resource for understanding the evolution of early 20th century storytelling In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes *What Spiritual Life Is and How to Attune to It; SHORT LIFE OF* St. Theophan the Recluse of Vysha, **Force Short of War in Modern Conflict** Galliot Jai Galliot, 2019-03-21 Jai Galliot explores the overarching phenomenon of how force short of war

is being used in modern conflict and how it impacts just war theory He shows that we need to bring the rules of war into alignment with increasingly digital means of conducting kinetic warfare through the force short of war paradigm The use of force short of war is now commonplace in large part owing to casualty averseness and the explosion of emerging technologies most notably drones autonomous robotics and cyberwarfare It often involves the selective or limited use of military force to achieve political objectives and assumes many forms These include targeted killing assassination special forces raids limited duration bombing campaigns or missile strikes and low intensity counterterrorism and counterinsurgency operations

SERGEANT MICHAEL CASSIDY & OTHER WAR STORIES: 67 Short Stories in One Edition H. C. McNeile, Sapper, 2017-08-07 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all device Herman Cyril McNeile 1888 1937 commonly known as H C McNeile or Sapper was a British soldier and author Drawing on his experiences in the trenches during the First World War he started writing short stories and getting them published in the Daily Mail McNeile s stories are either directly about the war or contain people whose lives have been shaped by it His war stories were considered by contemporary audiences as anti sentimental realistic depictions of the trenches and as a celebration of the qualities of the Old Contemptibles McNeile s view as expressed through his writing was that war was a purposeful activity for the nation and for individuals even if that purpose was later wasted a valuable chance at national renewal that had been squandered The positive effects of war on the individual were outlined by McNeile in *The Lieutenant* and *Others* and *Sergeant Michael Cassidy* R E in which he wrote about the qualities of leadership and selflessness essential to inspire subalterns His war stories include descriptions of fights between individuals that carry a sporting motif in *Sergeant Michael Cassidy* R E he writes To bag a man with a gun is one thing there is sport there is an element of one against one like when the quality goes big game shooting But to bag twenty men by a mine has not the same feeling at all even if they are Germans Content *Sergeant Michael Cassidy* R E *The Lieutenant* and *Others* John Walters Jim Brent *The Man in Ratcatcher* Men Women and Guns Mufti No Man s Land Word of Honour
