

A collection of medical supplies is arranged on a light gray surface. On the left, a black stethoscope with a silver chest piece is partially visible. In the center, a red notepad with the text "When should I call a doctor?" is placed on top of yellow and green sticky notes. To the right of the notepad, several blister packs of pills are scattered. One pack contains blue and white capsules, another contains white round tablets, and a third contains yellow oval tablets. A blue surgical mask is also visible in the background, partially obscured by the other items.
