Dr. Daniel L. Akin

Should We Leave Our Churches A Biblical Response To Harold Camping:

Should We Leave Our Churches? J. Ligon Duncan, Mark R. Talbot, 2004 Harold Camping co founder and president of the Family Radio Network has announced a prophetic novelty he believes that the church age has come to an end Camping claims that God is no longer blessing local churches and that all Christians should leave their congregations What exactly is Camping saying How should Christians respond Here J Ligon Duncan and Mark R Talbot refute the claims of this radio preacher and clearly discuss what the Bible says about the church

When Suffering Is Redemptive Larry J. Waters, 2018-11-30 When Suffering Is Redemptive offers hope when life is difficult The eight stories of this book do not seek to explain the why of suffering but rather present ways that God transforms and redeems suffering particularly how suffering leads to ministry opportunities Though the stories are personal and sometimes difficult to tell the authors are transparent with their struggles and honest in their questions Yet they have not lost sight of Christ and his purpose for their lives This book will challenge readers to develop a richer sense of God's sustaining grace in the midst of suffering and disability hopefully resulting in the compassionate involvement of church ministries with those who are in the trenches of their own personal pain or struggles Along with the personal stories this book includes discussion questions and suggested resources at the end of each chapter

Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

Strengtholt,2008 Entering the Fray T. Michael W. Halcomb,2012-08-02 In modern times the relationship between the church and academy has been strained and tension filled Mainstream church culture has often been skeptical of Bible scholars depicting them as self serving intellectuals trying to out think God by devising new and controversial interpretations Just as well academics have often leveled harsh critiques against church culture painting pastors and laity as anti intellectual

pseudo spiritualists Entering the Fray argues that in spite of the wide gap between the academic and ecclesiastical worlds the modern church should be aware of the key discussions taking place among biblical scholars To be sure the average churchgoer has not been tuned in to scholarly conversations concerning matters such as the Messianic Secret Q the Historical Jesus the pistis Christou debate and related topics In fact they may have purposefully tuned out Some however are simply unaware that any such dialogue has taken place and beyond the internet may not have the first clue as to how to explore the details This primer seeks to function as that first clue by helping congregants pastors and students of the Bible enter into the fray of scholarly discussions that over the last few hundred years have shaped both the academy and church
