Show Business Is No Business 1st Edition:

The First Hollywood Musicals Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry's most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as *Sunnyside Up* and *Hallelujah* to failures such as *The Lottery Bride* and *Howdy Broadway* this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over 90 photographs Reports, Notes of Cases & Proceedings and Judgments in Appeals, Etc., and References Under Rules, Orders & Ordinances Relating to the Gold Coast Colony, and the Colony of Nigeria, from 1861 to 1914 Gold Coast. Courts, 1915 *The League* John Eisenberg, 2018-10-09 The epic tale of the five owners who shepherded the NFL through its tumultuous early decades and built the most popular sport in America The National Football League is a towering distinctly American colossus spewing out 14 billion in annual revenue But it was not always a success In *The League* John Eisenberg focuses on the pioneering sportsmen who kept the league alive in the 1920s 1930s and 1940s when its challenges were many and its survival was not guaranteed At the time college football baseball boxing and horseracing dominated America's sports scene Art Rooney George Halas Tim Mara George Preston Marshall and Bert Bell believed in pro football when few others did and ultimately succeeded only because at critical junctures each sacrificed the short term success of his team for the longer term good of the league At once a history of a sport and a remarkable story of business ingenuity *The League* is an essential read for any fan of our true national pastime Come Along for the Ride Harvey Granat, 2023-02-28 It took me 50 years to achieve my original dream and not without some bumps along the road I believed as did many others that I could have been a very successful entertainer A visit with Vic Damone convinced me that I would have to give up a normal family life to achieve that success So I built a series of businesses and threw myself into philanthropy while limiting my performing to friends and family And then the opportunity finally presented itself and there was no stopping me Without an agent I promoted myself to some of the leading entertainment venues in the country developed a following and am now living my dream The one constant throughout has been my dedication to my family and the difference that I hope I have made in their lives But what a trip producing Sammy Cahn on Broadway headlining at Lincoln Center and Michael Feinstein's Club friendships with Cary Grant the families of George Gershwin Oscar Hammerstein Marvin Hamlisch Leonard Bernstein and a host of show business greats And I can't forget what happened with Madoff and Harvey Weinstein So come along for the ride while I tell my story **Tommy Steele**
