Showing the Spirit D. A. Carson, 2019-01-01 Eschewing extremes Bible scholar D A Carson explores the controversial subject of the role of the Holy Spirit in the life of a believer and in the life of the church Unpacking 1 Corinthians 12 14 as well as touching on relevant passages in Acts Carson faithfully follows the evidence of the text and offers an honest look at the strengths and weaknesses of both charismatic and non charismatic viewpoints **Spirit, Scripture, and Theology, 2nd Edition** Roger Stronstad, 2019-05-14 **To Live in the Spirit** Nélica Naveros Córdova, CDP, 2018-11-29 To Live in the Spirit Paul and the Spirit of God brings to light a fresh understanding of the Greek concept spirit in Paul s ethical teaching Placing Paul and his mixed audience within the Hellenistic Jewish and Greek philosophical traditions of the ancient world this book examines his new message concerning s primary function in the acquisition of virtues and avoidance of vices Looking in detail at the various ways in which Paul views in his seven undisputed letters Naveros C rdova explores s development from Paul s initial ethical reflections in his early letters to a more mature view in his later letters Naveros C rdova argues that it is within these traditions represented by major Hellenistic Jewish and Greco Roman writers that Paul construes the framework of his ethical teaching Paul finds in the power of God s a new ethical alternative for his mixed audience to living lives pleasing to God outside the observance of the Mosaic Law Naveros C rdova demonstrates how Paul draws upon Platonic immaterial and Stoic material language that would have been familiar to his hearers in the early Christian communities to create a persuasive understanding of ethical performance and to show that the moral life of the believers springs from that received from God In his efforts to highlight s central role in his ethics Paul moves beyond both traditions by describing the Christification of not only in Stoic terms but also in Middle Platonic categories of the first century CE **The Gift of Prophecy in the New Testament and Today (Revised Edition)** Wayne Grudem, 2000-11-07 What does the New Testament teach about the spiritual gift of prophecy What is it How does it function Can evangelical Christians use it in their churches today This updated comprehensive work answers such questions and points the way to a renewed understanding of the gift of prophecy an understanding that suggests how the body of Christ may enjoy one of the Holy Spirit s most edifying gifts without compromising the supremacy of Scripture **Book 8 Apostles HC** Kurt Jurgensmeier, 2012-08-22 How was NT Scripture created The Apostles are our only link to the truths of the New Covenant we are saved by and live by Who were these men How did they obtain such divine revelation How can we know they did We make the following claims in this book It was through the Scripture gift of divine knowledge and wisdom that Apostles obtained a store of revelation from which they wrote from This revelation was not received through some subjective mystical experience referred to as inspiration but the Apostles physically saw or heard the revelation or received it in visions and then accurately recorded it 1 Corinthians 13 8 13 teaches that the Scripture and sign gifts claimed by charismaticism today were predicted by the Apostle Paul to cease with the completion of the NT revelation and history confirms this very thing Theories of inspiration for the creation of

Scripture are unnecessary and nowhere supported in Scripture
