Shrek 2 Interactive Sound:

Shrek 2 ,2004 Shrek 2 Steve Heinrich,2004-01-01 *Relentless Progress* Jack Zipes,2013-02-01 Can fairy tales subvert consumerism Can fantasy and children s literature counter the homogenizing influence of globalization Can storytellers retain their authenticity in the age of consumerism These are some of the critical questions raised by Jack Zipes the celebrated scholar of fairy tales and children s literature In this book Zipes argues that despite a dangerous reconfiguration of children as consumers in the civilizing process children s literature fairy tales and storytelling possess a uniquely powerful even fantastic capacity to resist the relentless progress of negative trends in culture He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising Stories have been used for centuries as a way to teach children and adults how to see the world as well as their place within it In *Relentless Progress* Zipes looks at the surprising ways that stories have influenced people within contemporary culture and vice versa Among the many topics explored here are the dumbing down of books for children the marketing of childhood the changing shape of feminist fairy tales and why American and British children aren t exposed to more non western fairy tales From picture books to graphic novels from children s films to video games from Grimm s fairy tales to the multimedia Harry Potter phenomenon Zipes demonstrates that while children s stories have changed greatly in recent years much about these stories have remained the same despite their contemporary high tech repackaging *Relentless Progress* offers remarkable insight into why classic folklore and fairy tales should remain an important part of the lives of children in today s digital culture
