Shrouded Chronicles Of Jesus The Christ:

Shrouded Chronicles of Jesus the Christ Pete Veronese, 2000-03 Biblical scripture is a message medium designed to deliver information to every generation since the beginning of time Paradoxically most people have difficulty making sense of the stories found in these books and are at the mercy to accept or reject the revelation given by the clergy I have studied and researched biblical documents for many years and have come to a far different conclusion than what prevails in the traditional ecclesiastical realm For instance Who are the demons that lived in the tombs Was Eve a woman or was she something more The miracle of the five loaves and two fish how was it achieved Was Martha really a selfless host working in the kitchen while her sister and everyone else did nothing Why did the Romans crucify Jesus with two criminals and who were they Who is Satan Was there really no room at the inn In this book these and many other questions become apparent This book is about hidden truths found in biblical stories and the reasons they were hidden **The Ancient Chronicles**
