The Shurangama Sutra Vol 4, 1980 **Buddhism**, 1996 **Small Press Record of Books in Print** Len Fulton, 1993

The Surangama Sutra Ronald Epstein, PhD, David Rounds, 2012-08-06 For more than a thousand years the Surangama Sutra has been held in high regard in the Mahayana Buddhist countries of East and Southeast Asia and has been as popular as the Lotus Heart and Diamond Sstras Its wealth of theoretical and practical instruction in living a spiritual life often made it the first major text studied by newly ordained monks particularly in the Chan tradition This Sutra is regarded as a complete and practical manual for spiritual practice that will lead to enlightenment It provides instruction on understanding one's own Buddha nature the potential within every being for becoming a Buddha The Sutra explains how and why this nature is hidden and how we can uncover it and recognize it as our own true mind The Sutra also explains why personal integrity and purity of conduct are prerequisites for spiritual awakening It presents the principles of meditation and provides guidelines for discerning correct practices from those which deviate into wrong ones It explains how our own intentional acts whether physical verbal or mental result in karmic experiences including rebirths into various levels of being both human and non human At the heart of the Sutra is the Surangama Mantra The Sutra promises that the practice of reciting this mantra in the context of the other practices taught in the Sutra can successfully eliminate internal or external obstacles that block the path of spiritual progress **Listening to the Heart** Kittisaro, Thanissara, 2014-11-04 A husband and wife share stories of struggle and triumph along the path of the Buddha distilling his most essential teachings in this guide that is luminous in clarity and depth Tara Brach author of Radical Acceptance Husband and wife Kittisaro and Thanissara take turns co-authoring chapters in this deeply personal dharma book exploring the inner practice of meditation in support of awakening Within the context of the lives of the authors both monastics in their youth awakening unfolds as a multifaceted process following the archetypal journey of the heroine Traveling from innocence to disillusionment through the fields of trials and despair that lead to maturity and ultimately to inspiration and a blessed life Listening to the Heart tells the story of two unconventional individuals who have together embraced spirituality as the keystone of their lives At the heart of the book through teachings on the nondual nature of reality we enter the intimacy with all things as revealed in core Buddhist texts Without ending at the goal of personal freedom Thanissara and Kittisaro encourage us to go beyond the experience of inner peace to embodying wisdom in acts of service within the world With a realistic appraisal of our current global crisis in which sustainability is threatened by catastrophic climate change the authors encourage a preparedness that enables a mindful balance of equanimity and passionate engagement whatever the outcome of our global evolutionary journey The guiding refuge for this journey is the Buddha the historical teacher and most profoundly that immediate and direct pure awareness which we all can access The book also draws on teachings and stories of Buddhist masters who are fearless funny and challenging Eventually we are led into the Mary-like presence of the goddess of mercy Kuan Yin who as a great archetype

within Buddhist cosmology reveals the deepest mystery of our own hearts and our capacity for merciful and compassionate response As the inner process of awakening unfolds it transforms seekers and their lives as modeled by the authors It both heals the personal self in its journey through its wounds and shadows and yet at the same time dissolves identification with the self The book then ends by returning to the simplicity of the authors primary teacher Ajahn Chah with his encouragement to Be the Dharma
