Japanese-Russian Relations Under Gorbachev and Yeltsin Hiroshi Kimura, 2016-07-08 Why has the stalemate in Japanese Russian relations persisted through the end of the Cold War and Moscow's weakening control over its far eastern territories In this volume Kimura continues his comprehensive analysis of Russia and Japan's strained and unstable relations to the present day **Japan and the Sino-Soviet Alliance, 1950-1964** C. Braddick, 2003-12-09 Japan and the Sino Soviet Alliance 1950 1964 reveals the divisive impact of the Sino Soviet Alliance on Japanese domestic politics and foreign relations during the turbulent years between 1950 and 1964 Drawing on extensive Japanese sources and unprecedented access to previously classified government documents C W Braddick exposes the myths shrouding this formative era in Japan's postwar development **Air University Review**, 1983-07 *Soviet Policy Towards Japan* Myles L. C. Robertson, 1988-08-18 Dr Robertson provides a comprehensive analysis of a vital but often neglected contemporary relationship and suggests that portrayals of basic Soviet Japanese antipathy may be overplayed largely as a result of excessive concentration upon a few specific past episodes **Japanese-Russian Relations, 1907-2007** Joseph Ferguson, 2008-04-03 This book provides a

comprehensive survey of Japanese Russian relations from the end of the Russo Japanese War until the present Based on extensive original research in both Japanese and Russian sources it traces the development of relations from the tumultuous pre war period through the Second World War Cold War and post Cold War periods Considering the wider international situation domestic influences and ideological factors throughout it shows how the hopeful period of the late 1990s when Japanese Russian relations briefly ceased to be acrimonious and it seemed that normal relations might be established was not unique Joseph P Ferguson argues there have been several previous occasions when rapprochement seemed possible which in the end proved elusive rapprochement frequently becoming the victim of domestic factors which frequently worked against and took precedence over good relations The book concludes with an assessment of the present situation and of how relations are likely to develop in the immediate future
