Sidney Cotton The Last Plane Out Of Berlin:

Sidney Cotton Jeffrey Watson,2002 Sidney Cotton was a pilot a businessman who was decidedly shady and a spy He was born in western Queensland in 1896 and even as a boy designed cars and planes He served in the RAF in the latter part of World War I He later went into business in the UK aviation and photography and always operated very close to the edge Various businesses went broke under him but he always walked away There were also suggestions that he was involved in society blackmail in London the 1930s matters and was recruited by MI6 He had extensive business contacts in Germany and frequently used these trips for aerial photography He later fell out with the RAF and the security establishment but he will always be remembered as the man who flew the last civilian plane out of Berlin before the declaration of war guns to Hyderabad in India His business life remained varied He died a poor man but still surrounded by mystery **Sidney Cotton**

Jeffrey Watson,2011-03-01 Born in Queensland Sidney Cotton served as a pilot in World War I and over the next twenty years did everything from delivering mail in Newfoundland to entering the world of aerial reconnaissance on behalf of M16 making numerous spy flights over Germany and Italy For a time he had the direct support of Churchill but fell out with the authorities because of his unorthodox style which included accepting money to fly people out of Paris as it fell He ran guns in India after partition and led the high life but in the end was left bankrupt after oil exploration in Saudi Arabia went wrong

"Legends and Heroes" - behind the lens Dave Humphrey,2014-08-22 A personal account of the role of military photography and its massive impact on world conflicts over the last century David s collection of stories includes the history of the unique photographic training facility founded by the Royal Flying Corps in 1915 and the Legends Heroes who made the difference in its evolution The author completes the collection with his own autobiography Colonial Cousins Joyce P. Westrip,Peggy Holroyde,2010 An exploration of the historic relationship between Australia and India Killer Caldwell

Jeffrey Watson,2010-11-01 Clive Killer Caldwell was a natural and brilliant pilot a superb shot and a born leader He saw action against the Germans Italians and Japanese and remains Australia s greatest ever fighter pilot Born and brought up in Sydney it was obvious from an early age that nothing would stand in Caldwell s way He bluffed his way into the RAAF then made sure that he was posted to exactly where he thought he should be His ability was unquestioned by all those around him and he devised the vital shadow shooting technique which contributed so much to Allied success in the air in the north African campaign and in northern Australia But he was never afraid of voicing his opinions to all those above and below him be it about the training of pilots or the equipping of Spitfires for use against the Japanese and for trying to run the show his way Caldwell ended his military career in the Morotai Mutiny in 1945 where he and a number of other Australian pilots tried to resign their commissions in protest at not being allowed by General MacArthur and the RAAF to take part in the main action And then he was embroiled in the Barry inquiry into booze smuggling by him and other pilots Killer Caldwell is a colourful portrait of a colourful Australian Uprising: The Liberation of Dadra and Nagar Haveli Neelesh Kulkarni,2024 In

1954 in the small town of Silvassa wind blows through desolate streets Doors are bolted for the first time windows shuttered The town is silent except for the soft persistent patter of August rain The only movement is that of a group of outsiders gathering stealthily around the barricaded Silvassa police post their faces grim A man raises his hand to signal the others it is time Uprising chronicles a remarkable yet often overlooked chapter of Indian history A few years after the country became independent ordinary civilians rose up against the extortionist and cruel colonial stragglers entrenched in the villages of Dadra and Nagar Haveli the Portuguese With the new Indian prime minister Jawaharlal Nehru unwilling to strain nascent diplomatic bonds it was up to a few brave men and women to take matters into their own hands The odds were not good the Portuguese were armed to the teeth and outnumbered them heavily It was an extraordinary coalition that took them on Lata Mangeshkar and Mohammed Rafi helped raise funds through a concert volunteers from the Azad Gomantak Dal the RSS and radical communists collaborated with the local tribal population to launch attacks in Silvassa Naroli Pipariya Khanvel and other places in an effort to drive the Portuguese out once and for all Through interviews with descendants of the participants and a handful of participants themselves newspaper archival records letters and diary entries Neelesh Kulkarni painstakingly puts together the pieces of this little known history An electrifying story emerges the solidarity resilience and fearlessness of a people who defy tyranny and make history in the process

Airborne Espionage David Oliver,2005-01-13 Operating in all weathers invariably at night often at low level and usually without fighter escort Allied Special Duties SD squadrons and units played a vital role in the Second World War By their very nature these operations went unreported in wartime and for considerable time thereafter but their importance in prosecuting the war of resistance in Occupied Europe was immense Emerging from a time of rudimentary communications and transport dedicated air units had been established by 1939 to fly agents into enemy territory but their aircraft were hand me downs and the SD was considered a poor third to fighter and bomber operations However the tasks undertaken by these men and their aircraft were often more hazardous and demanding than any other type of wartime flying for every SOS SIS or OSS agent who lost their life in the field at least one RAF or USAAF airman was killed while flying SD operations Here David Oliver examines the exploits of British Commonwealth American Free European Soviet German Italian and Japanese airmen and units supported by first hand accounts and archive photographs
