Mistress 2 Shroud of Eternity 3 Siege of Stone **Army of the Cumberland and the Battle of Stone's River** G. C. Kniffin, 2022-09-15 The Army of the Cumberland was one of the principal Union armies in the Western Theater during the American Civil War It was originally known as the Army of the Ohio The army s first significant combat under the Cumberland name was at the Battle of Stones River which ended in Union victory after the Confederate army s withdrawal on January 3 largely due to a series of tactical miscalculations by Confederate General Braxton Bragg This text is a war paper issued by the Commandery of the District of Columbia as penned by Lieutenant Colonel Gilbert C Kniffin giving the background of the battle including the assumption of command over the army by Major General William S Rosecrans The Battle of Stones River (Murfreesboro) Charles River Editors, 2025-05-02 In all fifty eight pieces of artillery played upon the enemy Not less than one hundred shots per minute were fired As the mass of men swarmed down the slope they were mowed down by the score Confederates were pinioned to the earth by falling branches G C Kniffin aide to General Crittenden Americans have long been fascinated by the Civil War and its biggest battles particularly Gettysburg Antietam and Shiloh all of which involved Robert E Lee or Ulysses S Grant But one of the 6 biggest battles of the war and the one that took the heaviest toll by % on both armies was fought at the end of 1862 in Tennessee and it involved neither of those generals In late December 1862 William Rosecrans s Union Army of the Cumberland was contesting Middle Tennessee against Braxton Bragg s Army of Tennessee and for three days the two armies savaged each other as Bragg threw his army at Rosecrans in a series of desperate assaults Bragg s army was unable to dislodge the Union army and he eventually withdrew his army after learning that Rosecrans was on the verge of receiving reinforcements Though the battle was stalemated the fact that the

Union army was left in possession of the field allowed Rosecrans to declare victory and embarrassed Bragg Though Stones River is mostly overlooked as a Civil War battle today it had a decisive impact on the war The two armies had both suffered nearly 33% casualties an astounding number in 1862 that also ensured Rosecrans would not start another offensive campaign in Tennessee until the following June The Union victory also ensured control of Nashville Middle Tennessee and Kentucky for the rest of the war prompting Lincoln to tell Rosecrans You gave us a hard earned victory which had there been a defeat instead the nation could scarcely have lived over The battle and its results also set into motion a chain of events that would lead to Rosecrans and Bragg facing off at the crucial battle of Chickamauga in September 1863 a battle that is often viewed as the last gasp for the Confederates hopes in the West The Greatest Civil War Battles The Battle of Stones River Murfreesboro comprehensively covers the campaign and the events that led up to the battle the fighting itself and the aftermath of the battle Accounts of the battle by important participants are also included along with maps of the battle and pictures of important people places and events You will learn about the Battle of Stones River like you never have before in no time at all *The Battle of Stone's River Near Murfreesboro', Tenn.
