The Murder, Betrayal, and Slaughter of the Glorious Charles, Count of Flanders Galbert of Bruges, 2013-11-26 DIV In 1127 Charles the Good count of Flanders was surrounded by assassins while at prayer and killed by a sword blow to the forehead His murder upset the fragile balance of power between England France and the Holy Roman Empire giving rise to a bloody civil war while impacting the commercial life of medieval Europe The eyewitness account by the Flemish cleric Galbert of Bruges of the assassination and the struggle for power that ensued is the only journal to have survived from twelfth century Europe This new translation by medieval studies expert Jeff Rider greatly improves upon all previous versions substantially advancing scholarship on the Middle Ages while granting new life and immediacy to Galbert's well informed and courageously candid narrative div

Winning the Worry Battle Barb Roose,2018-04-17 Have you ever tried to fight worry with faith and felt you were losing the battle Have comments like God s got this or Just pray about it only left you feeling more burdened We know we shouldn t worry but the reality is that we all do at times Whether it s personal worries about loved ones and daily circumstances or broader concerns about what s happening in the world we long for something more than platitudes that will help us put real feet to our faith and win the worry battle Many Christians do not have a full understanding of what it means to fight the good fight of faith They try to live by faith but in the face of everyday trials and failures they find themselves disillusioned and discouraged wondering if they have done something wrong or if living by faith only works for others The problem for most is simply a lack of understanding regarding what faith is and how it works This book inspired by the Book of Joshua reviews three steps a person can take to Fight In Faith 1 embrace God s promises 2 steep your heart in courage and 3 act in obedience to God s commands Just as God gave His people victory over their enemies when they fought in faith He promises to do the same for us Following the footprints of bold courageous faith that God gave His people we ll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face Through examples of how God gave the Israelites victory over their enemies and generously blessed them too we ll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society A companion six week Bible study Joshua Winning the Worry Battle is also available for those who would like to dig deeper into the book s topic Study components each available separately include a Participant Workbook with five days of lessons per week Leader Guide and DVD with six 20 25 minute sessions with closed captioning *Galaxy Science Fiction* ,1977-12
