Am I Sleeping with the Enemy? Ron Clark, 2010-07-01 When a boy cries his father trains him in the way of the ancients He is taught to man up and rejects anything feminine in his life Thus he begins the process of becoming a man in the image of his culture This transformation comes at the expense of his own calling to reflect the image of God Men and women however were both created in this divine image and were meant to live in harmony rather than enmity Recently influential Christian writers and leaders have suggested that men have become too feminized and need to return to their calling to be real men Clark believes that this new masculinity is in reality a return to the way of the ancients Drawing from his experiences as a minister domestic and sexual violence prevention advocate and community leader Clark suggests that Jesus came to redefine masculinity and resist the cultural view of manhood power and oppression , Mexican American Voices Steven Mintz, 2009-05-04 This short comprehensive collection of primary documents provides an indispensable introduction to Mexican American history and culture Includes over 90 carefully chosen selections with a succinct introduction and comprehensive headnotes that identify the major issues raised by the documents Emphasizes key themes in US history from immigration and geographical expansion to urbanization industrialization and civil rights struggles Includes a visual history chapter of images that supplement the documents as well as an extensive bibliography **American Icons** Dennis R.
