A Short History of English Literature Harry Blamires, 2013-02-28 First published in 2012 This work of introduction is designed to escort the reader through some six centuries of English literature It begins in the fourteenth century at the point at which the language written in our country is recognizably our own and ends in the 1950s It is a compact survey summing up the substance and quality of the individual achievements that make up our literature The aim is to leave the reader informed about each writer's main output sensitive to the special character of his gifts and aware of his place in the story of our literature as a whole **Penelope Fitzgerald** Hermione Lee, 2014-11-18 ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR A Best Book of the Year San Francisco Chronicle Seattle Times Winner of the Plutarch Award for Best Biography The acclaimed biographer of Edith Wharton and Virginia Woolf gives us an intimate portrait of one of the most quietly brilliant novelists of the twentieth century Penelope Fitzgerald was a great English writer whose career didn't begin until she was nearly sixty She would go on to win some of the most coveted awards in literature the Booker Prize and the National Book Critics Circle Award Now in an impeccable match of talent between biographer and subject Hermione Lee a master biographer and one of Fitzgerald's greatest champions gives us this remarkable writer's story Lee's critical expertise is on dazzling display on every page as it illuminates this extraordinary English life Fitzgerald born into an accomplished intellectual family the granddaughter of two bishops led a life marked by dramatic twists of fate moving from a bishop's palace to a sinking houseboat to a last late blaze of renown We see Fitzgerald's very English childhood in the village of Hampstead her Oxford years when she was known as the blonde bombshell her impoverished adulthood as a struggling wife mother and schoolteacher raising a family in difficult circumstances and the long delayed start to her literary career Fitzgerald's early novels draw on her own experiences

working at the BBC in wartime at a bookshop in Suffolk at an eccentric stage school in the 1960s while her later books open out into historical worlds that she magically seems to entirely possess Russia before the Revolution postwar Italy Germany in the time of the Romantic writer Novalis Fitzgerald's novels are short spare masterpieces and Hermione Lee unfurls them here as works of genius Expertly researched written out of love and admiration for this wonderful author's work Penelope Fitzgerald is literary biography at its finest an unforgettable story of lateness persistence and survival **Myth Making in the Soviet Union and Modern Russia** Vicky Davis, 2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state's appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today **Paperbound Books in Print**, 1991 P.J. & A.E. Dobell Book Sale Catalogs P.J. & A.E. Dobell (Firm), 1918 **The Publishers' Circular and Booksellers' Record**, 1925 *The Death of Rural England* Alun Howkins, 2003-09-02 Alun Howkins panoramic survey is a social history of rural England and Wales in the twentieth century He examines the impact of the First World War the role of agriculture throughout the century and the expectations of the countryside that modern urban people harbour Howkins analyzes the role of rural England as a place for work as well as leisure and the problems caused by these often conflicting roles This overview will be welcomed by anyone interested in agricultural and social history historical geographers and all those interested in rural affairs
