Sierra Leone Diamonds And The Struggle For Democracy:

Sierra Leone John L. Hirsch, 2022 Sierra Leone's bitter experience with civil war garnered international attention only after the May 1997 coup though the conflict between the Revolutionary United Front RUF and successive governments had raged for at least a decade against the backdrop of more than three decades of progressive state collapse John Hirsch traces Sierra Leone's downward spiral drawing on his first hand experience as US ambassador in Freetown in 1995 1998 Hirsch analyzes the historical social and economic contexts of the struggle as well as the impacts of regional and international powers Topics covered include the exploitation of mineral resources in the country the involvement of private security forces and the flawed efforts at peace negotiations *Military Interventions in Sierra Leone* Larry J. Woods, 2010 Analyzes the massive turmoil afflicting the nation of Sierra Leone 1995 2002 and the efforts of outside forces to bring stability to that small country The taxonomy of intervention ranged from private mercenary armies through the Economic Community of West African States to the U N and the U K In every case those who intervened encountered a common set of difficulties that had to be overcome Unsurprisingly they also discovered challenges unique to their own org and political circumstances Serving soldiers can often profit vicariously from the mistakes of others as recounted in detailed case studies of historical events A cautionary tale that political leaders and military planners contemplating intervention in Africa ignore at their peril

Gender and Power in Sierra Leone L. Day, 2012-01-02 This book addresses the gendered political authority in Sierra Leone a relatively unknown topic and looks at the part it plays in women's history political history political transformation in Africa and global women's political leadership **Magic and Warfare** N. Wlodarczyk, 2009-11-09 This study explores the roles played by magic in contemporary African warfare specifically through the case of Sierra Leone to assess its impact on behaviour in conflict A conceptual framework is suggested for analysing culturally alien practices more broadly and to inform approaches to civilian and military intervention Patterns of Sustaining Peace Julia Leib, 2024-09-26 This book explores how to establish peace in societies recovering from large scale armed conflicts by introducing the sustaining peace scale as a continuous measure for peacebuilding success Drawing on an extensive data collection of peacebuilding episodes over almost three decades the author analyses the impact of four peacebuilding practices international commitment power sharing security sector reform and transitional justice Having established the framework the author applies it to the peacebuilding processes in Sierra Leone and South Africa An important contribution to the literature on successful peacebuilding this book will be essential reading for peacebuilding scholars and practitioners **Child Soldiers, Adult Interests** John-Peter Pham, 2005 This book weaves a narrative of the history of Sierra Leone from its foundation as a settlement for black slaves who fought for the British Crown during the American Revolution through the events of the civil war with a discussion of more general geopolitical lessons to be learned from the recent conflict its origins and settlement In addition the book contains six appendices that render the present work the first comprehensive history of Sierra Leone since the classic studies

published more than a generation ago by Christopher Fyfe and John Peterson an invaluable reference on conflict resolution in general as well as the West African country in particular including a chronology of select events in the history of Sierra Leone and the texts of the peace agreements and other post conflict documents Humanitarian Economics Gilles Carbonnier,2015 Tackles difficult and concrete issues such as how the economics of war and terrorism inform humanitarians negotiations with combatants

The Prophecies of a Father H.E. Ambassador Eddie M. Turay,2013-10-09 The Prophecies of A Father is a remarkable piece of literary work The writer His Excellency Ambassador Eddie M Turay is very sincere and passionate in the presentation of his facts The facts relate to the culture traditions customs and party politics of his country The writers sincerity and passion revolves around the traditional beliefs and faith of his benevolent father in his ancestral spirits late Paramount Chief Kande Turay of Sanda Chiefdom He reveals that the late man was an animist who despite neither believed nor practiced Christianity and Islam yet he gave him the freedom and support to become a practicing Christian His father was not only liberal towards the two mainstream religions Christianity and Islam but he was a great admirer of the Whitemans education That was why he gave him his blessings and support to pursue education for which he will ever remain grateful Paramount Chieftaincy is one of the oldest and respectable political institutions in this part of the African Continent The writer has thrown enlightening lights on the way it works in the Sanda Chiefdom Northern Sierra Leone One more amazing revelation of the book is the prophecies of the writers father As the title of the book it is befitting because all that his father prophesied have come to pass His father did prophesise that the writer will dine and drink with Royalties Prime Ministers and Presidents at home and abroad which has come to pass In terms of his countrys national politics he paints the picture of the political culture that existed at the time It bordered on dysfunctional tendencies which was disturbing to him as an espouser of democracy and social justice Thus educated and trained in the ethics of social justice and fairness the Ambassador was determined to challenge these vices Ironically it was his zealousness to challenge them that made him steal the heart of late President Siaka P Stevens The President was impressed so he convinced him to drop his legal practice and become a politician where he would have the opportunity to fully inculcate and defend the values of fair play and social justice as espoused by democratic ethos particularly at the grassroots levels of the nations politics The writer skilfully draws the contrasts between the Old and New APC and above all the successful leadership of President Ernest Bai Koroma Leader of the APC He registers his unwavering support for the New APC Party of which he is a profound member and her admirable leadership This book is an eye catching read as well as educative for its sincerity passion fun simple and quality language and buttressed by ideal concepts HE Ambassador Eddie M Turays colleagues in the Diplomatic Service Foreign Office as well as politicians and educational institutions at home and abroad will find this book a handy resource material on Sierra Leone politics

War, Conflict and Human Rights Chandra Lekha Sriram,Olga Martin-Ortega,Johanna Herman,2014-01-16 War Conflict and Human Rights is an innovative interdisciplinary textbook combining aspects of law

politics and conflict analysis to examine the relationship between human rights and armed conflict This second edition has been revised and updated making use of both theoretical and practical approaches Over the course of the book the authors examine the tensions and complementarities between protection of human rights and resolution of conflict including the competing political demands and the challenges posed by internal armed conflict analyse the different obligations and legal regimes applicable to state and non state actors including non state armed groups multinational corporations and private military and security companies explore the scope and effects of human rights violations in contemporary armed conflicts such as those in Sierra Leone Sudan the Democratic Republic of Congo the former Yugoslavia and Cambodia and reflect on recent events of the Arab Spring assess the legal and institutional accountability mechanisms developed in the wake of armed conflict to punish violations of human rights law and international humanitarian law such as the ad hoc tribunals for the former Yugoslavia and Rwanda and the International Criminal Court as well as other mechanisms of transitional justice discuss continuing and emergent global trends and challenges in the fields of human rights and conflict analysis This volume will be essential reading for students of war and conflict studies human rights and international humanitarian law and highly recommended for students of conflict resolution peacebuilding international security and international relations generally

Evaluating Peacekeeping Missions Sarah-Myriam Martin- Brûlé, 2016-07-15 This book offers a new perspective on peace missions in intra state wars based on comparative field research In theoretical terms this book proposes a new definition of peace operation success based on two crucial elements the re establishment of order and the accomplishment of the mandate The work presents a new typology for assessing peace operations as failures partial failures partial successes or successes This focus on blurry outcomes provides a clearer theoretical framework to understand what constitutes successful peace operations It explains the different outcomes of peace operations based on the type of success failure by outlining the effects of the combination of the key ingredients strategy and the type of interveners Empirically this book tests the saliency of the theoretical framework by examining the peace operations which took place in Somalia Sierra Leone and Liberia This book refutes the classification of these three cases as the worst context for transitional politics and demonstrates that peace operations may succeed partially or totally in challenging contexts and that the diverse outcomes are better explained by the type of intervener and the strategy employed than by the type of context This work shows that for a peace operation in an intra state war the adoption of a deterrence strategy works best for re establishing order while the involvement of a great power facilitates the accomplishment of the mandate This book will be of much interest to students of peacekeeping conflict resolution civil wars security studies and IR in general

Whispering the Secrets of Language: An Psychological Journey through **Sierra Leone Diamonds And The Struggle For Democracy**

In a digitally-driven earth wherever displays reign great and immediate conversation drowns out the subtleties of language, the profound secrets and mental subtleties hidden within words usually go unheard.
