Sight For Sore Eyes Tape:

The Mayakovsky Tapes Robert Littell, 2025-10-16 In March 1953 four women meet in Room 408 of Moscow's deluxe Hotel Metropol. They have gathered to reminisce about Vladimir Mayakovsky, the poet who in death had become a national idol of Soviet Russia. In life, however, he was a much more complicated figure. The ladies, each of whom could claim to have been a muse to the poet, loved or loathed Mayakovsky in the course of his life, and as they piece together their conflicting memories of him, a portrait of the artist as a young idealist emerges. From his early years as a leader of the Futurist movement to his work as a propagandist for the Revolution and on to the censorship battles that turned him against the state and more ominously the state against him, their recollections reveal Mayakovsky as a passionate, complex, sexually obsessed creature trapped in the epicenter of history, struggling to hold onto his ideals in the face of a revolution betrayed. Written by Robert Littell, whom *The Washington Post* called one of the most talented, most original voices in American fiction today, period. *The Mayakovsky Tapes* is an ambitious, impressive novel that brings to life the tumultuous Stalinist era and the predicament of the artists ensnared in it.

Bad Girl Michele Jaffe, 2004-06-01 She never meant for it to happen. For Chicago Thomas aka Windy, it was an offer too good to refuse: the chance to head the forensics lab at the Las Vegas Police Department. With her six-year-old daughter in tow, Windy moves to Sin City, hoping to start over with a loving fiancé far from the sad memories of a first marriage that ended in tragedy. But the job of her dreams is about to take a nightmarish turn. She wanted to be a good girl. Though the first murders appear to be random, they are savage in their intensity: an entire family butchered in their own home. Only a few days later, another family meets the same grisly fate. To Ash Leighton, the enigmatic chief of the Metro Violent Crime Unit, the signs are clear: a serial killer is stalking Las Vegas. But she just couldn't help herself. In a breathless race against time, the lines between good and bad, right and wrong, begin to blur, and Windy and Ash find themselves irresistibly drawn to each other. In a town where nothing is what it seems, only the evidence doesn't lie. And Windy may have to pay for the truth with her life. Sometimes being good is dangerous.

Joined by local veterinarian Cole Walker, the pair scours the mountaintop for evidence and makes another gruesome discovery: the skeletonized remains of two adults and a child. And then the unthinkable happens. Could Mattie become the next victim in the murderer's deadly game? A deranged killer torments Mattie with a litany of dark secrets that call into
