

1 EXT. APARTMENT COMPLEX - MORNING

1

We reveal a nondescript apartment complex in North Hollywood California. It is not nice or ugly. It looks like every other pleasant -looking apartment complex in the valley.

2 INT. APARTMENT - MORNING

2

ANDY STITZER, a boyish looking forty year old man, is asleep.

His clock radio goes off. It is playing oldies, which now consists of rock 'n' roll from the mid eighties.

MUSIC UP: "Heat Of the Moment" by Asia.

Andy sits up in bed. Not happy, not unhappy, just another day.

3 INT. LIVING ROOM - MORNING

3

Andy is doing his morning workout. He is doing bench presses. He lifts an enormous amount of weight. His face is very kind, and vulnerable, almost emotionless, but his body is ripped.

On a book shelf Andy has an impressive array of action figures and comic books, all in their original packaging. None of his vintage toys have been opened.

Movies Format And Content

Karen S. Ivers, Ann E. Barron

Movies Format And Content:

Content-Based Analysis of Digital Video Alan Hanjalic, 2007-05-08 Content Based Analysis Of Digital Video focuses on fundamental issues underlying the development of content access mechanisms for digital video It treats topics that are critical to successfully automating the video content extraction and retrieval processes and includes coverage of Video parsing Video content indexing and representation Affective video content analysis In this well illustrated book the author integrates related information currently scattered throughout the literature and combines it with new ideas into a unified theoretical approach to video content analysis The material also suggests ideas for future research Systems developers researchers and students working in the area of content based analysis and retrieval of video and multimedia in general will find this book invaluable
