Worstell, 2017-05-21 Humanity ardently seeks The Truth and explores every avenue to it In this process it has produced a special literature which ranges the whole gamut of thought from the trivial to the sublime up from Divination through all the Philosophies to the final lofty Truth of The Master Key The Master Key is here given to the world as a means of tapping the great cosmic intelligence and attracting from it that which corresponds to the ambitions and aspirations of each reader Every thing and institution we see around us created by human agency had first to exist as a thought in some human mind Thought therefore is constructive Human thought is the spiritual power of the cosmos operating through its creature man The Master Key instructs the reader how to use that power and use it both constructively and creatively The things and conditions we desire to become realities we must first create in thought The Master Key explains and guides the process Get Your Copy Now A Master's Key for Manipulating Time Ramtha, 2002 We rearrange the past every time we manifest every time we manifest You never take a pot of gold out of Fort Knox That would be robbery But anytime you want to manifest gold that has got a minted mark on it that is acceptable as currency then you are rearranging the past and your involvement in past events that happened thirty forty fifty years ago and suddenly you are going to live an event that brings you that gold And all the history books will be rewritten and one day you will open up and see that you are one of the people involved in it Of course you didn't know that now because it is yet to be rewritten So the study then of the Great Work is to manipulate reality and evolve it Ramtha **The Master Key** L.
