Prophetic Gifts Office A Biblical Perspective:

The Prophetic Gifts & Office - A Biblical Perspective Steven Lambert, 2002-12 God says in His Word that He has permanently set into the Church for as long as the Church continues here on the Earth first apostles second prophets and third teachers 1 Cor 12 28 Contrary to false cessationism teaching all of the Fivefold Ministry offices Eph 4 11 continue to be operational in the Church Jesus is building which includes the office of the prophet as well as the nine gifts of the 13 Spirit or Charismata 1 Cor 12 6 8 God never ceased talking to His Mankind Creation and especially His Church the Body of Christ From the very first man Adam all the way forward in time to the present hour God has always had His surrogate spokesmen through whom He speaks to His people *The Prophetic Gifts and Office A Biblical Perspective* by Dr Steven Lambert is one of the most comprehensive single volumes exclusively addressing the matter of the prophetic gifts and office ever written Published in teaching manual format and compiled from teachings in hundreds of prophetic seminars over the course of several decades it is a virtual encyclopedia of the prophetic gifts and office chronicling their entire history of the from their origins in the Garden of Eden to their Dark Ages demise to their prophesied restoration to their proper place of function in the modern Church

Uncovering the Myth of Spiritual Covering Steven Lambert, ThD, DMin, 2016-09-01 *Uncovering the Myth of Spiritual Covering* is adapted from a chapter of the widely disseminated book *Charismatic Captivation Authoritarian Abuse Psychological Enslavement in Neo Pentecostal Churches* That book exposes the widespread problem of authoritarian abuse that has been flourishing virtually unabated for decades since it was first infused into the very fabric foundation and functions of the Charismatic Neo Pentecostal church during the false movement known as the Discipleship Shepherding Movement 1970 77 Owing extensively to that Movement and the teachings that were promulgated during it hyper authoritarian doctrines and practices have become cemented into the foundation fabric and functions of many churches major segments of some denominations as well as many of the apostolic networks of churches ministries and ministers that have emerged over primarily that last four or five decades The problem has become so widespread that it has now reached pandemic proportions in Pentecostal and Neo Pentecostal streams The purpose of *Uncovering the Myth of Spiritual Covering* is to analyze against the foundation stone of Scripture one of the foundational elements of this hyper authoritarian ecclesiastical culture demonstrate its irrefutable incongruity with Scripture and disabuse believers from acceptance of and adherence to it thereby liberating them from the invisible chains of psychological enslavement that have been holding them in bondage to the illegitimate authority structures of men Hyper authoritarianism is predominance or psychological control imposed by spiritual leaders upon their followers or congregants regarding not only their involvements within the church or ministry but also regarding their personal and private lives Ministries and church groups practicing this illegitimate domination employ various means and degrees of psychological indoctrination and coercion to compel congregants or adherents to subject and conform their personal activities behavior and affairs of life to the leadership

prescribed standards rules expectations and collective corporate goals of the church or ministry The purported pretext for the imposition of this religious governance is an adulterated or perverted concept of ecclesiastical authority Promulgators and practitioners adamantly claim that the mechanisms of manipulation they employ are a perfectly Scriptural system of discipleship or spiritual training in fulfillment of the role and responsibility of spiritual leaders to make disciples However the fact of the matter is this kind of discipleship exceeds by far the bounds and intents of legitimate that is Scriptural and Godly authority This kind of so called shepherding is not that which is inspired by the Good Shepherd but by His arch rival Satan rather it is blatant misuse and abuse of authority and is Scripturally prohibited usurpation of believers God given prerogative or right of personal autonomy The author of this book Dr Steven Lambert a Pentecostal Charismatic Bible scholar and theologian shows conclusively that so called spiritual covering as theorized by those who teach promulgate and adhere to it is an absolute myth and an unmitigated lie and that indeed no semblance of the version of spiritual covering taught by its proponents exists anywhere within Scripture It is a complete fabrication concocted by the originators of these fallacious doctrines by which to facilitate and perpetuate their purely self aggrandizing objectives of subjugation domination and control of the sheep of God s Flock Every believer in Christ who has ever been exposed to the deception of spiritual covering whereby hyper authoritarian ecclesiastical autocrats use it to subjugate dominate and control their followers desperately needs to read this book and follow the 15 Rs of Recovery from Authoritarian Abuse delineated in the book s last chapter

Book 9 Prophets HC Kurt Jurgensmeier,2012-08-22 Is God still giving revelation today That question is at the heart of the claims of the largest theological movement of Christianity since the Reformation charismaticism And the foundation of their position is that the gift of prophecy is still operating today This book is a detailed study of the gift and it defends the following Modern claims to prophecy are one of the most widespread and dangerous frauds in Christianity Real biblical Prophets spoke divinely authoritative revelation and always predicted the future with perfect accuracy in order to authenticate themselves Modern so called prophets either make mistaken predictions or claim they don t even need to try There was no difference between the authority and purpose of OT Jewish Prophets like Jeremiah and NT Christian Prophets like Agabus The Church universally testified that the gift of prophecy ceased by the third century God really hates modern false claims to be speaking for Him

Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today Daniel Nii Aboagye Aryeh,2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline

stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church

Prophecy and Inspired Speech in Early Christianity and Its Hellenistic Environment Christopher Forbes, 1995

A False Kind of Christianity Dan Jensen, 2017-06-15 In this work Dan Jensen offers the conservative Evangelical community a no nonsense assessment of the growing and aggressive progressive Christian movement Jensen provides two chapters of personal testimony a short overview of the history behind the progressive Christian movement a brief summary of the teachings of the movement and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation Jensen makes it clear why this movement must be countered by conservative Evangelicals

Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this

Barkley, 2023-04-20 Prophets come in many varieties ecstatic worshipers inspired preachers social justice advocates and even political pundits Their messages vary accordingly The purpose of this book is to dig beneath the message to understand the how How do modern day prophets experience the prophetic impulse The phenomenological study at the core of this book answers that question directly by examining the experience of Canadian Pentecostals From there the experience of modern day prophets is compared with Old Testament prophets with special attention given to Jeremiah It turns out that prophets today share in the same experience as their Old Testament predecessors This book can benefit three audiences For the academy this work provides the first phenomenological study of prophecy in Canada For pastors reading this book will be an exercise in empathy placing you in the shoes of the prophets in your congregation helping you to understand what goes on when someone prophesies For everyday prophets this book will affirm your connection through Jesus to the Old Testament prophetic tradition enabling you to read those Old Testament books in a new experiential light A Complete System of Christian Theology Samuel Wakefield, 1869 **Perspectives on Christian Worship** J. Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism *Encyclopedia of Christianity in the United States* George Thomas Kurian,Mark A.
