Regio Urbis Decima Mons Palatinus:

Leaders and Masses in the Roman World Malkin, Rubensohn, 2018-07-17 It is largely thanks to Zvi Yavetz that the Roman plebs has become salient. In numerous important studies Yavetz has focused his and our attention on the problem of the relationship between the ruler and the masses of the ruled. Thus it seemed natural to choose various aspects of this relationship as the topic of a volume in his honour. The articles here contributed by thirteen eminent friends and colleagues deal with historical and theoretical questions of the relationship between the one and the many covering a period from the second century B.C. through the times of the Late Republic and the Principate to Late Antiquity and finally to an intriguing view at modern totalitarianism as perceived from an Enlightenment perspective. *A commentary on Cicero's oration De haruspicio responso* John O. Lenaghan, 2011-06-15 No detailed description available for *A commentary on Cicero's oration De haruspicio responso*. **The Temple of Peace in Rome** Pier Luigi Tucci, 2017-11-16 In this magisterial two volume book Pier Luigi Tucci offers a comprehensive examination of one of the key complexes of Ancient Rome the Temple of Peace. Based on archival research and an architectural survey his research sheds new light on the medieval Renaissance and Baroque transformations of the basilica and the later restorations of the complex. Volume 1 focuses on the foundation of the complex under Vespasian until its restoration under Septimius Severus and challenges the accepted views about the ancient building. Volume 2 begins with the remodelling of the library hall and the construction of the rotunda complex and examines the dedication of the Christian Basilica of SS Cosmas and Damian. Of interest to scholars in a range of topics. *The Temple of Peace in Rome* crosses the boundaries between classics archaeology history of architecture and art history through Late Antiquity the Middle Ages and the early modern period. *Nero Caesar Augustus* David Shotter, 2014-06-03 Propelled to power by the age of 17 by an ambitious mother self indulgent to the point of criminality inadequate paranoid and the perpetrator of heinous crimes including matricide and fratricide and deposed and killed by 31 Nero is one of Rome's most infamous Emperors. But has history treated him fairly? Or is the popular view of Nero as a capricious and depraved individual a travesty of the truth and a gross injustice to Rome's fifth emperor? This new biography will look at Nero's life with fresh eyes. While showing the man's faults and all it also casts a critical eye on the libels which were perpetrated on him such as claiming he was a madman many of which were most probably made up to suit the needs of the Flavians who had overthrown his dynasty. *The Palatine* Pietro Romanelli, 1965. **Homer in Stone** David Petrain, 2014-02-27 A study of the Trojan War as retold in carved images and texts at the dawn of the Roman Empire. *Auditorium and Palatium* Birgitta Tamm, 1963. *National Union Catalog*, 1956 Includes entries for maps and atlases. **The Palatine** Pietro Romanelli, 1965. **The Palatine** Maria Antonietta Tomei, 1998. **Vergil's Eclogues** Eleanor Winsor Leach, 1974 This interpretive reading treats the Eclogues in the light of some of the problems raised by contemporary pastoral criticism. Professor Leach believes that the pastoral poet's attitudes toward man's role in the physical world and in history are revealed by the ways in which he
