Nationalism and Ethnic Conflict in Nepal Mahendra Lawoti, Susan Hangen, 2013 Ethnic and nationalist movements surged forward in Nepal after restoration of democracy in 1990 This book analyses the rise in ethnic mobilization the dynamics and trajectories of these movements and their consequences for Nepal Nepal's Federalism and the Pursuit of Deliberative Democracy Vishnu Kumari Tandon, 2025-08-29 This book identifies the factors that either encourage or discourage participation and deliberation thereby demonstrating the potential and reality of deliberative democracy in Nepal at the local level Focusing on the local level planning process in two municipalities Buddhabhumi and Dhanushadham the book examines whether decentralized elements introduced by federalism encourage participation and deliberation or whether they continue to remain a challenge Throughout this exploration the author explores how the debate between common good and self interest unfolds within the context of deliberative democracy in Nepal A blend of empirical and theoretical investigation this book addresses the concept of common good and self interest in deliberative democracy in the context of unequal societies in South Asia A pioneering contribution on Nepal this book will be of interest to researchers studying political science federalism participatory democracy deliberative democracy and local governance in Nepal and South Asia *The Democratic Transition in Nepal* Ramjee P. Parajulee, 2000 PART TWO EXTERNAL ACTORS *The Bullet and the Ballot Box* Aditya Adhikari, 2014-10-07 The Bullet and the Ballot Box offers a rich and sweeping account of a decade of revolutionary upheaval When Nepal's Maoists launched their armed rebellion in the nineties they had limited public support and many argued that their ideology was obsolete Twelve years later they were in power and their ambitious plan of social transformation dominated the national agenda How did this become possible Adhikari's narrative draws on a broad range of sources including novels letters and diaries to illuminate the history and human drama of the Maoist revolution An indispensable account of Nepal's recent history the book offers a fascinating case study of how communist ideology has been reinterpreted and translated into political action in the twenty first century **The Cambridge Survey of World**

**Migration** Robin Cohen, 1995-11-02 This extensive survey of migration in the modern world begins in the sixteenth century with the establishment of European colonies overseas and covers the history of migration to the late twentieth century when global communications and transport systems stimulated immense and complex flows of labour migrants and skilled professionals In ninety five contributions leading scholars from twenty seven different countries consider a wide variety of issues including migration patterns the flights of refugees and illegal migration Each entry is a substantive essay supported

by up to date bibliographies tables plates maps and figures As the most wide ranging coverage of migration in a single volume The Cambridge Survey of World Migration will be an indispensable reference tool for scholars and students in the field

**Development In Modern Africa** Martin S. Shanguhya, Toyin Falola, 2019-10-08 Development in Modern Africa Past and Present Perspectives contributes to our understanding of Africa's experiences with the development process It does so by adopting a historical and contemporary analysis of this experience The book is set within the context of critiques on development in Africa that have yielded two general categories of analysis skepticism and pessimism While not overlooking the shortcomings of development the themes in the book express an optimistic view of Africa's development experiences highlighting elements that can be tapped into to enhance the condition of African populations and their states By using case studies from precolonial colonial and postcolonial Africa contributors to the volume demonstrate that human instincts to improve material social and spiritual worlds are universal They are not limited to the Western world which the term and process of development are typically associated with Before and after contact with the West Africans have actively created institutions and values that they have actively employed to improve individual and community lives This innovative spirit has motivated Africans to integrate or experiment with new values and structures challenges and solutions to human welfare that resulted from contact with colonialism and the postcolonial global community The book will be of interest to academics in the fields of history African studies and regional studies

Media as Politics in South Asia Sahana Udupa, Stephen McDowell, 2017-07-14 From the puzzling liberalization of media under military dictatorship in Pakistan to the brutal killings of journalists in Sri Lanka and the growing influence of social media in riots and political protests in India Nepal and Bangladesh the chapters analyse some of the most important developments in the media fields of contemporary South Asia Attentive to colonial histories as well as connections within and beyond South Asia in the age of globalization the chapters combine theoretically grounded studies with original empirical research to unravel the dynamics of media as politics

Global Nepal David N. Gellner, Sondra L. Hausner, 2018-06-09 Migration has been a basic fact of Nepali life for centuries Over the last thirty years migration from Nepal has increased diaspora communities across the world In these diverse contexts to what extent do Nepalis reproduce their culture and pass it on to subsequent generations How much of diaspora life is a response to social and political concerns derived from the homeland What aspects of Nepali life and culture change In this volume twenty one authors address these issues through eighteen detailed case studies that tackle issues of livelihood identity and belonging internal conflict and religious practice in the UK the USA India Southeast Asia the Gulf countries and Fiji Throughout the volume we see how being Nepali outside Nepal enables new categories and new kinds of identity to emerge whether as Nepali Gorkhali or as a member of a particular ethnic regional or religious group The common theme of Global Nepal is the exploration of continuity change and conflict as new practices and identities develop in Nepali diaspora life exponentially leading to many

new     *The Routledge International Handbook of Himalayan Environments, Development and Wellbeing* Ben Campbell, Mary Cameron, Tanka Subba, 2025-07-21 Shifting dynamics of peoples livelihoods and territories influenced by global warming require new ways of thinking and new kinds of politics beyond the sovereignties of idealized traditional European nation states The Routledge International Handbook of Himalayan Environments Development and Wellbeing features over 70 scholars from the social sciences humanities and natural sciences who explore the interrelationships between environmental change development and wellbeing across the entire Himalayan region from the Indian Himalayas in the east to Bhutan Nepal Tibet TAR India and Gilgit Baltistan in the west Within over 50 chapters the handbook presents engaging field based research on the region s socio cultural diversity climate adaptation and socio economic transformation It examines creative ways Himalayan communities adapt seek wellbeing and respond to environmental and development challenges Lessons about learning from Indigenous and local peoples about governance of forests and water and grassroots conservation practices from the Himalayan region can help inform global networks of researchers and practitioners The handbook will interest scholars students stakeholders and the public about the evolving relationships between Himalayan peoples territories and global warming offering insights into people s creative ways for understanding adapting and seeking wellbeing in environmental relations and development possibilities     *Military Intervention, Stabilisation and Peace* Christian Dennys, 2014-05-30 This book examines international military interventions that have supported stability in four communities in Afghanistan and Nepal in an attempt to analyse their success and improve this in future This is the first in depth village level assessment of how local populations conceive of stability and stabilisation and provides a theory and model for how stability can be created in communities during and after conflict The data was collected during field research from 2010 12 In Afghanistan the conflicts examined include the invasion of the Soviet Union in 1979 the civil war from 1992 and the rise and fall of the Taliban In Nepal the research examined the origins of the Maoist movement and the start of the People s War in 1996 to its completion in 2006 and the subsequent Madeshi Andolan in 2007 The book argues that international particularly Western notions of stability and stabilisation processes have failed to grasp the importance of local political legitimacy formation which is a vital aspect of contemporary statebuilding of a non Westphalian nature The interventions across defence diplomatic and defence lines have also at times undermined one another and in some cases contributed to instability The work argues that the theories that structure interventions to address threats to international stability in fragile states are insufficient to explain or achieve the goal of stability This book will be of interest to students of stabilisation operations statebuilding peacebuilding counterinsurgency war and conflict studies and security studies in general Christian Dennys is lecturer at Cranfield University UK Defence Academy and has a PhD in International Relations     *Asian and African Studies* meisai.org.il,     *Daughters of the Tharu* Mary Ann Maslak, 2003-12-16 This book explores the complex structural institutions in society individual attitudes towards beliefs about and values of those institutions and the process by

which the relationship between the social structure and individual agency conditions and governs girls educational participation in Nepal      **Simultaneous Identities** Uma Pradhan, 2020-12-03 The recent socio political changes in Nepal have brought assimilationist notions of Nepali nationalism under a tight scrutiny and drawn attention to more plural inclusive and diverse notions of Nepaliness However both assimilationist and pluralist visions continue to remain normative in their approach and often posit ethnic and national identity in opposition to each other Drawing on the everyday practices in the two schools this book illustrates that social actors in minority language education did not necessarily select between minority identity and national identity but instead made simultaneous claims to more than one social identity by discursively positioning ethnic identity as national identity It builds on the notion of simultaneity to illustrate that it is through the unresolved co presences of apparently contradictory ways that people maintain their multi layered identities By arguing for an analytical necessity to adopt relational approach it aims to complicate the neat compartmentalisation of identities

*China's India War* Bertil Lintner, 2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru's hostile policies was put forth by journalist Neville Maxwell in his book *India's China War* which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell's narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell's book Bertil Lintner's *China's India War* puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today      *Animal Sacrifice, Religion and Law in South Asia* Daniela Berti, Anthony Good, 2023-07-13 This book presents original research on the controversies surrounding animal sacrifice in South Asia through the lens of court cases It focuses on the parties involved in these cases on their discourses motivations and contrasting points of view Through an examination of judicial files court decisions and newspaper articles and interviews with protagonists the book explores how the question of animal sacrifice is dealt with through administrative legislative and judicial practice It outlines how although animal sacrifice has over the ages been contested by various religious reform movements the practice has remained widespread at all levels of society especially in certain regions It reveals that far from merely being a religious and ritual question animal sacrifice has become a focus of broader public debate and it discusses how the controversies highlight the contrast between traditional and reformist understandings of Hinduism the conflict between the core legal and moral principles of religious freedom and social progress and the growing concern with environmental issues and animal rights The Introduction Chapter 1 Chapter 2 and Chapter 7 of this book are available for free in PDF format as Open Access from the individual product page at [www.taylorfrancis.com](http://www.taylorfrancis.com) It has been made available under a Creative Commons Attribution Non
