she writes In her opinion he s just an average ordinary guy and he s way too neat and fastidious Besides no matter how much her fingers itch to remove his tie and muss up his hair she s keeping all thoughts of real life romance on the back burner until her goal of becoming a published writer is realized Maybe it s time for two stubborn people to let go of long held ideals and perceptions and open their minds and hearts to the extraordinary love that is waiting on the doorstep This is Book 2 in the King s Valley Series but it can be read and enjoyed as a stand alone Each book in the series has an HEA with no cliff hangers What readers have said about Her Ordinary Joe Very good writing I enjoyed Polly and Joe s easy camaraderie and how they learned to look beyond first impressions This is a sweet clean romance with lots of laughter Ellie is a precocious girl who has big plans for her beloved aunt Polly Look out Joe The characters are quite opposite and struggle with their wide differences I liked that this romance didn t rely on jealousy or cheating to increase the drama For the most part these are ordinary people living ordinary lives Well written with interesting characters and cleverly related subplot Part of a series but complete and satisfying in itself Fun reading Who would have thought that a romance novel about a romance writer writing a romance novel would be so interesting The characters are well written and unique They try so hard to stick to their ideals of their perfect love as these opposites attract King s Valley Romance Series in order All books are stand alones but the author recommends you read the first 3 books to fully enjoy and appreciate the last book in the series 1 Ethan s Bride 2 Her Ordinary Joe 3 The Return of Devin Wakefield 4 Annie and Jake
