Reign Of The Ayatollahs Iran And The Islamic Revolution:

Reign Of Ayatollahs Shaul Bakhash,1986-03-25 The Reign of the Ayatollahs Shaul Bakhash,1991-01-01 **The Making Of Iran's Islamic Revolution** Mohsen M Milani,2018-03-09 In this fully revised and expanded second edition Dr Milani offers new insights into the causes and profound consequences of Iran s Islamic Revolution Drawing on dozens of personal interviews with the officials of the Islamic Republic and on recently released documents he presents a provocative analysis of the dynamics and characteristics of factional politics in Islamic Iran Among the new issues covered are the events leading up to the Teheran hostage crisis Ayatollah Khomeini s life and writings President Rafsanjani s activities against the Shah Rafsanjani s recent reforms Iran s involvement in the Kuwaiti crisis and the domestic and foreign policy challenges facing Iran in the post Cold War era The second edition is specifically revised for use as a text for courses dealing with Iran the Middle East and revolutionary movements *The Battle of the Ayatollahs in Iran* Alex Vatanka,2021-04-08

Understanding the foreign policy agenda and behavior of the Islamic Republic of Iran is a critical challenge for the world But where do the principal Iranian regime actors come from in terms of political background experiences and interests Which types of ambitions or policy conflicts have dominated and shaped foreign policy debates since 1979 This book explains the internal policy process in Tehran by following two regime personalities Ali Khamenei the Supreme Leader and Akbar Hashemi Rafsanjani who before his death in January 2017 held some of the most powerful political positions in Iran No two men have been more influential in dictating the regime s decision making processes since 1979 Yet little is known about how their competing worldviews and interests their key moments of dispute both personal or policy based or their personal ambitions have informed the trajectory of Iranian politics The book analyzes Khamenei and Rafsanjani s own words and writings and accounts of them given by others to reveal how the domestic policy contest has shaped Tehran s actions on the regional and international stage Comprising primary and secondary Iranian sources including untapped memoirs newspaper reports and Iranian electronic media and personal interviews the book highlights the principal rivalries over the lifespan of the Islamic Republic and offers new insights into the present and future of Iranian foreign policy **Encyclopedia of the Developing World** Thomas M. Leonard,2013-10-18 A RUSA 2007 Outstanding Reference Title The Encyclopedia of the Developing World is a comprehensive work on the historical and current status of developing countries Containing more than 750 entries the Encyclopedia encompasses primarily the years since 1945 and defines development broadly addressing not only economics but also civil society and social progress Entries cover the most important theories and measurements of development relate historical events movements and concepts to development both internationally and regionally where applicable examine the contributions of the most important persons and organizations and detail the progress made within geographic regions and by individual countries **A History of Social Justice and Political Power in the Middle East** Linda T. Darling,2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded

Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people's political culture and expectations of government The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism

A History of the Modern Middle East William L. Cleveland, Martin Bunton, 2024-07-29 A History of the Modern Middle East examines the profound and often dramatic transformations of the region in the past two centuries from the Ottoman and Egyptian reforms through the challenge of Western imperialism to the impact of US foreign policies Built around a framework of political history while also carefully integrating social cultural and economic developments this expertly crafted account provides readers with the most comprehensive balanced and penetrating analysis of the modern Middle East The seventh edition has been substantially revised to reflect the significance of the 2011 Arab Uprisings as a major turning point in the modern history of the region A new chapter considers how regional powers especially in the Gulf are now asserting themselves more forcefully seeking to push their own interests while Russia and China contest America's position Including an annotated and updated bibliography that offers guidance to readers seeking more in depth information and incorporating an online companion website featuring quizzes timelines and instructor resources A History of the Modern Middle East remains the quintessential text for courses on Middle Eastern history

Liberal Nationalism In Iran Sussan Siavoshi, 2019-04-08 This book examines the rise and fall of the liberal nationalist movement in Iran It provides an analysis of the National Front's successes and failures focusing on their interactions with both the other contenders including the government and international factors
